

Seminary President Says Board Does Not Have Funds To Preserve Its Old Dorm

On Thursday The Gettysburg Times published three letters to the editor with reference to the proposed razing of Old Dorm at the Lutheran Seminary.

A number of articles have been published in The Times during the past year or more with reference to the same subject.

After publication of Thursday's letters The Times asked Dr. Harry F. Baughman, president of the Seminary, for a statement.

It follows in full:

"I assume that recent letters published in The Gettysburg Times are written sympathetically and with an earnest desire to preserve an important landmark. They deserve attention in the same spirit. In order that the writers and communities may understand the problem confronting the board of directors of the seminary, I ask the privilege of presenting something of the recent negotiations concerning Old Dorm, as well as the responsibility for stewardship vested in the board.

"May I say that I am on the side of those who would retain this building if it is possible and practical to do so. And I welcome any constructive and tangible proposal looking in this direction. At the same time I must make clear the position of the board.

Condemned By State

"These are the facts to be noted: First, about 10 years ago the Old Dorm was declared by state authority unsafe for student occupancy. The seminary was required to rebuild or replace it. In an effort to save it, four consulting engineers were invited to inspect the building. The most favorable report from these consultants indicated an expense of \$350,000 or \$400,000 to retain the shell and build a fireproof structure within it.

"The apartment dormitory, housing 20 couples and 32 single students, was erected for \$200,000. In addition, two professors' residence were converted into dormitories at a cost of \$60,000 dollars. All of this capital expenditure was provided or is being provided by gifts from congregations in Maryland, West Virginia and Pennsylvania.

"Old Dorm was emptied of students. The administration of the seminary turned to various groups and individuals for funds to preserve it. Some were interested, but none could provide such funds. Many pleas have been made to save it, but none has been accompanied by check.

Expensive To Retain

"One society appealed to replied 'We offer our services to correspond with your trustees, but we do not have available funds to assist.' To preserve the building for occupancy will now cost little short of a half million dollars. To save it as a landmark, not to be used, will cost, by an actual bid in hand, twenty thousand dollars.

"Secondly, the board of directors are trustees. They administer funds provided by the church. It must be noted that the seminary has three sources of income: student fees, endowment income, and church appropriation. Its directors are responsible for the wise and safe administration of these monies. They must act as good stewards. One suggestion of a correspondent was that the directors could 'amend the constitution and earmark funds for the preservation of Old Dorm.' They are not prevented by the constitution from doing this. They are prevented by their sense of stewardship.

Expanding Needs

"The seminary has many needs vitally related to its on-going program, usable buildings, additional staff of every sort, new equipment etc. It must stretch every cent of income to meet these expanding needs. It will have to ask the church for additional money for housing if the student body increases as it will in the next few years. At this moment congregations in the three-state area are being asked to make special gifts for the reduction of the unpaid obligations on the dormitories, and for needed library equipment. The seminary cannot expect to receive

S. D. RHINE, 81, COURT TIPSTAFF, DIES THURSDAY

Samuel D. Rhine, 81, tipstaff for the Adams County court for many years, died suddenly Thursday night at 5 o'clock at his home, 36 Breckenridge St.

Dr. C. G. Crist, Adams County coroner, attributed the death to bronchial pneumonia and said the disease had been of a one-day duration, developing from a gripe and bronchitis illness of about a week.

For more than 25 years he was an employee at the former G. W. Weaver and Son Department Store on Lincoln Square, starting as an errand boy and later becoming a clerk. After the Weaver store closed, he was a part time clerk at Sherman's Clothing Store, York St., for many years.

Services Saturday

He was one of the oldest county employes in point of service, having served as tipstaff for nearly 20 years.

He was a member of St. James Lutheran Church here, of the local Odd Fellows and of the local Good Samaritan lodge of Masons No. 336, the Royal Arch Chapter No. 266 and Commandery, No. 79 and of Zempo Shrine, Harrisburg.

A native of Gettysburg, he was a son of the late Henry and Louise (Pritz) Rhine. He and his brothers had resided on Breckenridge St. after the death of the parents. After the death of a brother, Harry, who was battlefied guide for many years, in February, 1949, Mr. Rhine had resided alone in the home.

The only survivor is a nephew, Henry J. Rhine, Clearfield, Pa.

Funeral services at the Bender Funeral Home Saturday morning at 2 o'clock with his pastor, the Rev. Dr. Paul L. Reaser, officiating. Interment in Evergreen Cemetery. Friends may call this evening from 7 to 9 o'clock at the funeral home.

G. S. GEISELMAN, NEAR BARLOW, DIES THURSDAY

George S. Geiselman, 70, Gettysburg R. 1, near Barlow, died Thursday afternoon at 1:45 o'clock at the Warner Hospital where he had been admitted five days ago.

He was Mr. Joy Twp. farmer had become ill four days prior to his removal to the hospital, suffering from the gripe. The disease later developed into pneumonia.

A native of Mt. Pleasant Twp., he was a son of the late Michael and Sarah (Baschore) Geiselman. He was a member of the Mt. Joy Lutheran Church and had served on the council of that church for a number of terms. He was also a member of the Barlow Fire Co. and the Adams County Firemen's Association.

Surviving is his wife, the former Elsie Smith, to whom he had been wed 42 years last January; a foster son, John Plank, at home; and three brothers and sisters, H. B. Geiselman, Mt. Pleasant Twp.; Mrs. Annie Brown, York; Mrs. Albert Kimpke, Gettysburg R. 2; Mrs. Walter Mehring, Gettysburg R. 1, and Mrs. Roy Rinehart, Chambersburg.

Funeral services, arranged through the Bender Funeral Home, will be held Monday afternoon at 2 o'clock from the late home in Mt. Joy Twp. with the Rev. Charles E. Held officiating. Interment in Evergreen Cemetery. Friends may call at the late home from Saturday noon until the time of funeral Monday.

SENT TO JAIL

Tadeo Velasquez, Chambersburg, charged before Justice of the Peace John H. Baschore by borough police with "hit and run" driving, Thursday afternoon entered a plea of guilty to the charge and in default of \$25 fine and costs was committed to jail for ten days. He is alleged to have been the driver of a car which struck the auto of Dr. Francis Mason while it was parked on Carlisle St., causing about \$250 damage to the Mason car.

MARKET IS LOWER

NEW YORK—The stock market turned lower in fairly active early trading today.

Leading issues took losses running from fractions to about 2 points. The decline was general.

The market was continuing the downward trend of late yesterday when profit-taking halted a three-day rally.

Uncle Sam Buying More Pentagon Land

Purchase of additional land by the U. S. Government in the "Underground-Pentagon" area of Liberty and Hamiltonian Trps. is revealed in deeds filed with the county register and recorder.

An approximately eight-acre tract in Hamiltonian Twp. was purchased from Glenn E. and Ethel B. Martin, of Adams County, for \$6,000. A small, less than quarter acre, tract was bought for \$100 from Lester M. and Mabel H. Bleem in Liberty Twp., and \$300 was paid Margaret M. Sanders for a 30-foot right of way 707 feet long across her land in Hamiltonian Twp.

PARSONAGE IS BURGLARIZED OF WATCHES, RINGS

Burglars stole \$300 worth of watches and rings from the Gettysburg Methodist parsonage, Highland Ave., Monday afternoon while the pastor was delivering Harvest Home donations to a Methodist center at Shiremanstown, borough police reported today.

The officers said information had been withheld until the present to permit the checking of a number of clues during a period when it might be surmised that the burglars did not know the theft had been discovered.

Rev. William E. Fenstermaker left his Highland Ave. home Monday afternoon to deliver the load of gifts presented Sunday by the members of the local church. He returned to the parsonage about 8:45 o'clock Monday night, and did not immediately notice anything amiss.

Discovered Loss

Police said Rev. Mr. Fenstermaker had gone to bed later Monday night when he noticed dresser drawers were not tightly closed. The drawers had been closed when he left the parsonage earlier in the day.

He investigated and found that someone had rifled the bedroom but had attempted to replace everything as well as possible to the position it previously occupied. Only the slight opening of some of the drawers had betrayed that an unauthorized person had been in the room.

A search through the dresser showed that three watches and three rings had been removed from a jewel chest in one of the drawers.

Entered Through Window

Borough police said one of the watches was a curved Bulova yellow gold wrist watch with expansion band. Another was a gold German-made pocket watch and the third a railroad type watch of gold with a chain, gold cross and key attached.

The rings stolen included a class ring with the words Jersey Shore on it and Rev. Mr. Fenstermaker's initials, an old fashioned gold band wedding ring and a gold ring with a black onyx setting, with a cross on the ring and the word Jerusalem across the setting and ring. One of the rings he had brought from a trip to the Holy Land.

Police said the burglar or burglars had made their entrance by opening a window near the front of the parsonage.

Bill Wood, Farmer, Athlete, Coach, Teacher, Clergyman, Returns "Home" In Retirement

Big Bill Wood and his beloved wife, Esther, have come "home" to Gettysburg. After a full married life of 40 years the Rev. and Mrs. William Wallace Wood will spend their remaining years on their 160-acre farm near Seven Stars.

There they will rest and work and eagerly await the visits from their six children and 18 grandchildren.

There will be some who read this column who will not remember Bill Wood, but the vast majority of others have fond memories of his long stay here, especially his football coaching days at Gettysburg College.

Bill was a farmer, athlete, football coach, teacher and later a clergyman.

Bill was born in Pottstown, Nov. 13, 1894. He attended Penn State College where he received All American mention as a center and a tackle on the football team. He was a rugged competitor. He was class president at State in his Senior year.

When Bill Wood showed up (much against his will) at the studio of the late William "Boss" Tipton to be photographed (about 30 years ago) he was dressed in his "Sunday Best," shaved, showered, shined and shampooed. Before the picture was taken he was directed of his coat, vest and tie. His shirt was unbuttoned at the throat and his neatly combed hair was disheveled. The result is shown above. Mrs. Wood says it's the best photo ever taken of her husband.

Countian's Sight Saved By Cornea Grafting Operation

A 28-year-old Adams County house painter, who was almost totally blind, may see well again because of an accidental shooting at Niagara Falls 1 1/2 years ago and an operation at the Wills Eye Hospital in Philadelphia on Tuesday.

Robert Weidner, who lives between Idaville and Peach Glen with his wife and eight-month-old son, is "doing well" after a cornea transplant and is expected to be able to leave the hospital in about two weeks. He was admitted last Friday.

Weidner, who has had eye trouble since his youth, was referred to Wills Eye Hospital by the State Council for the Blind of the Pennsylvania Department of Welfare.

Cornea Flown To Phila.

The eye was taken from Robert Walker, 64, of Niagara Falls, when he developed vision complications resulting from being shot in the head in 1939. That operation was performed Monday at Veterans' Hospital in Buffalo. When surgeons found Walker's cornea still healthy, they turned it over to the Bufile Eye Bank.

The cornea was flown to Philadelphia when the Wills Eye Hospital applied for it.

Weidner decided on the operation.

The young painter is the son of Mr. and Mrs. Chalmers Weidner, of near Idaville. His mother is a teacher at the South Dickinson Twp. School, near Hunters Run. His wife is a former Janet Kling of Mt. Holly Springs. They were married about a year and a half ago. Weidner is a graduate of the Carlisle High School.

HIGH SCHOOL ALUMNI PLAN XMAS DANCE

Preliminary plans for the annual Christmas season dance sponsored by the Gettysburg High School Alumni Council and the Gettysburg Senior High School Student Council were outlined Thursday evening at a meeting of the alumni council at the YWCA.

Also planned were the annual Gettysburg High School — Alumni basketball game to be held in December. Thirty-two members of the alumni council were present for the session at which President Richard A. Folkenroth presided.

Named to the Finance and Ticket committee were John C. Stahle, chairman, John Baschore, Mrs. Gladys Kelley, Kenneth Sterner and Paul B. Fox, scholarship committee. Jay Schmitt, chairman, Robert Fidler, Paul Mehring, Miss Ruth McElhenny and Mrs. Edith Baker.

Names Committees

Miss Helen "Tom" Spangler and Alice Williams were named co-chairman of the Statistical committee with these members, J. Melchior Sheads, Miss Charlene Patterson, Ethel Dickert, Dorothy Dracha, Mrs. Sara Sandoe and Anna Weikert.

J. Herbert Raymond was named as representative to the Gettysburg High School Athletic Council.

Other Assignments

Mrs. Guyon E. Buehler was named chairman of the nominating committee which also includes Mrs. Helen Haehnen and Atty. Eugene R. Hartman and John MacPhail.

The Editor
Gettysburg Times
Gettysburg, Pennsylvania

Dear Sir:

I have received a Gettysburg College edition of your paper, and hasten to express a personal and official appreciation and congratulation. You have done an excellent piece of work.

This project is one of the most comprehensive that I have seen from any college during the past twenty-eight years. Weaving as it does the historical, the present situation, and future development together, the whole is impressive and significant.

I am sure the college was delighted to cooperate with you in supplying information for the various items.

Sincerely yours,
Gould Wickey

OCTOBER WAS COOLEST HERE IN 32 YEARS

October was not only the wettest month so far this year but the coolest October in Gettysburg in 32 years Gettysburg Times Weather Station records show.

Last month's rainfall totaled 4.53 inches a surplus of 1.24 inches above "normal." October rainfall. That total made it only the fourth month this year with a surplus of rain and helped cut the 1957 rainfall shortage to 6.89 inches.

Rainfall so far this year totals 28.09 inches. Normal would be about 35 inches with the current shortage 6.89 inches. Only February June and April also reported surpluses of rain but no month had as much as a half inch of surplus until October.

There were eight days last month when measurable amounts of rain fell. The heaviest rain fell on October 7 and 8 when 2.04 inches was measured in one 24-hour period.

Consistently Cool

It was the consistently cool weather last month that made October the coolest October here since 1925. There were no extremely low readings and the minimum for the month was 31 degrees re-recorded the mornings of the 12th and 13th. The only other time the freezing point was reached was Monday of this week at 32.

On the other hand there were only four days last month when the mercury reached the 70's. In some years maximums in the 90's have not been rare. Last month's warmest day was October 9 with a high of 76 degrees. The average daily high was only 62.48 degrees and the daily low reading averaged 41.42 degrees, making the month's

HOLD PRE-TRIAL SESSIONS TODAY

Attorneys and Judge W. C. Sheely met this morning in the law library for pre-trial conferences in connection with the 15 civil suits scheduled for the November term of court.

At the sessions the attorneys and court went over details in the case, such as exhibits, etc., to determine which could be admitted, and to agree on those portions of each case to which both sides admit. Through the pre-trial sessions, the court and attorneys hope to be able to save the hours of testimony at the trials by reducing the number of things which must be proven in each case.

At the conference it was learned that the number of scheduled cases has dropped to 14 with one action in assumpt reported settled by the attorneys for the two sides.

Attorney S. M. Raffensperger and Attorney Eugene R. Hartman representing the opposing sides said the assumpt action brought by Aeronaut Sporting Goods, Inc., Dolgeville, N. Y., against the late W. L. Hunt, trading as Ranger Clothing Industry, Aspers, has been settled. The amount of the settlement was not disclosed. The matter concerned payment for approximately 1,750 bowling pins.

Jaycees' Float Wins At Hanover

The Gettysburg Junior Chamber of Commerce won \$75 third prize with its "Spooknik" float entry in the Hanover Halloween parade Thursday evening. The float also has won prizes here and in York.

Littletown High School's band also won \$75 as third prize while Explorer Post 65 of New Oxford won \$25 as second prize in the performing group division.

Elect Five County Officials And Fill 272 Local Posts On Tuesday; Two Amendments Up

GRACE BAPTIST TO MARK FIFTH ANNIVERSARY

Grace Baptist Church on the Lower Tract-Fairfield Rd. will observe its fifth anniversary Sunday with special services. The speaker for the day will be Rev. Lee R. Judd.

The Board of Higher Education The United Lutheran Church in America Washington 9, D. C.

Rev. Jeffords

ford, director of the Department of Town and Country Work of the Pennsylvania Baptist Convention.

The schedule for the day is as follows: Sunday School, 10:30 a.m.; dinner at the church at 12:30 p.m. and a service at 2:30 p.m.

At first families met in various homes. This was the beginning of Sunday School. On June 23, 1952, announcement was made of the purchase of the Lower Tract school building. The first church service held there was on September 14, 1952, conducted by Rev. Herbert N. Brownlee. The dedication of the building as a church was held October 12, 1952.

On last November 18, a combined anniversary and dedication service was held. A new addition consisting of three Sunday School rooms was added and dedicated at this time. The public is invited to attend the services Sunday.

THREE BANKS GIVE \$3,850 TO HOSPITAL DRIVE

Three upper Adams County banks have subscribed \$3,850 to the \$350,000 Annie M. Warner Hospital Building Fund, Atty. Richard A. Brown, chairman of the fund, announced today.

The contributions were by the Biglerville National, which subscribed \$1,500; the Bendersville National Bank, \$1,300; and the Arentsville National Bank \$1,050.

This brought the number of banks contributing to the fund to eight, for a total of \$24,370.

In announcing the new gifts, Mr. Brown expressed "deep gratification at the unprecedented response of the three upper Adams County banks to the urgent need for expanding Warner Hospital. The fact that these banks have joined the other five banks which already have contributed is ample evidence that the building program is a sound community investment in health protection."

The building fund is seeking \$350,000 by public subscription in the hospital's service area to be used toward the construction of a new 25-bed south wing which will contain 14 private, three semi-private rooms and a separate pediatric section as well as new kitchen and dietary facilities and a new power plant.

Extension Club Votes Chest \$5

A Halloween party and scavenger hunt was held by the members of the Adams County Senior Extension Club Thursday night in connection with the regular meeting of the organization at the home of Nadine Reinecker, York Springs R. D.

Devotions were led by Frank Coffey with 36 members present. Larry Crouse and David Sibert reported on a regional young people's meeting they attended in Massachusetts. Carroll Spence reported on participation by the club in the "barn warming" at the Carpenter farm.

The group voted to conduct a concert stand at the public sale No. 26 of the Minnie Weaver property, near Bendersville.

A \$5 donation to Community Chest was voted. Plans were made for attendance at the International Livestock show at the Farm Show building, Harrisburg, November 15.

ADAMS COUNTIES WILL GO TO THE POLLS TUESDAY TO ELECT 272 OFFICIALS FOR VARIOUS OFFICES AND TO EXPRESS THEIR VIEWS ON TWO PROPOSED CONSTITUTIONAL AMENDMENTS

Adams County has what appears to be five contests for county office, but two of the county candidates, Laura S. Freed, Democrat, and Mervin I. Rice, Republican, will both be named as jury commissioner although the voters will vote for one.

County Contests

Battling it out for associate judge are G. Edward Taubman, Democrat, and Clarence D. Deardorf, Republican.

The candidates for sheriff are Dawson R. Miller, Democrat, and Charles D. Baird, Republican.

Kenneth W. Johns, incumbent clerk of courts, a Republican is opposed for that office by Democrat Clyde A. Allison.

The county treasurer race is between Democrat Erwin J. Baker and Republican Clark E. Spence.

Vote On Amendments

Proposed Amendment No. 2. A would increase the state debt by \$150,000,000 to pay a bonus to veterans of the Korean conflict. Both the Republican and Democratic Committees in the county and American Legion and Veterans of Foreign Wars posts and other veterans' groups have announced their support of Amendment No. 2 A.

Amendment No. 1 A would provide for absentee voting by qualified electors absent from the state or county, or who are unable to go to their polling places because of illness or physical disability. So far few organizations have signified their approval of that amendment.

Expect Light Vote

A total of 21,575 countians are eligible to go to the county's 42 voting places between 7 o'clock Tuesday morning and 8 o'clock Tuesday night to cast their ballots. Political prognosticators however look for a light vote, holding that voting in local elections is usually lighter than in Presidential years.

The same experts add that they will make no predictions concerning who will be the winning candidates. Local elections are generally based on popularity of individuals, and for many party ties mean little for local offices.

Countians will select six county officials Tuesday. They will also name 24 auditors, 14 school directors, 36 assessors, 32 tax collectors, 16 constables, 17 justices of the peace, 21 supervisors, 35 councilmen and 11 burgesses.

Choose 64 School Directors

All of the townships will name supervisors, all the boroughs burgesses. Each of the 32 districts will name two school directors each. All will be naming auditors, Hamiltonian and Latinore each two and the rest one each. Each district will name tax collectors. Half the districts need constables, and about half need justices of the peace, with Abbottstown and Huntingdon needing two each.

A number of candidates seem almost assured of election — unless someone can beat them with sticker campaigns.

Among the "sure shots" are Harry R. Crawford, who holds both the Republican and Democratic candidacies for burgess of Abbottstown, and Harry Stambaugh, a Democrat, who has no opposition in Abbottstown for assessor.

Some Unopposed

Arentsville has several who seem "almost sure." Ray M. Flickinger, Republican, running for burgess, has no opposition. Roy E. Nelson, Paul B. Buragon and John E. Stover, all Republicans, are the only candidates listed for the three posts on council to be filled. Ohio D. Carey has both the Republican and Democratic nominations for judge of election.

Dale E. Clark, candidate for justice of the peace in Bendersville, has both nominations.

In Berwick Twp., Paul C. Miller for auditor, Mary E. Spangler for judge of elections and Bernadette J. Kimball for inspector of elections are on both tickets for those offices with John H. Sheely, the Democratic nominee for assessor, has no opposition listed on the ballot.

Same Burgess For Biglerville

John E. Thomas is almost assured of another term as burgess of Biglerville. He's the candidate of both Republicans and the Democrats.

Mrs. Margaret J. Walter, candidate for judge of elections, is in the same two-party position.

In Butler Twp. Charles A. Fidler, candidate for constable, is listed as the candidate of both parties. Candidates in Butler who have no opposition are:

Report Nixon Is Target Of Indictive Southern Group

ATLANTA (AP)—A member of a Georgia organization formed to settle Negroes in exclusive white neighborhoods, says Vice President Richard Nixon may be the group's first target.

But the founder of the group, American Resettlement Foundation, Inc., said any such report is entirely without foundation.

State Welfare Director Alan Warner, a council member of the foundation, was asked about the report yesterday, and replied:

"I would say Nixon is a pretty good candidate."

He declined, however, to be more specific.

State Rep. A. A. Fowler Jr. of Atlanta, founder of the organization, said the Associated Press there was no story to the report.

It is absolutely without foundation," Fowler declared.

Warner said a Negro family, formerly a large one, will be moved into a swank Northern residential area by Christus and that Fowler had operated on a piece in the \$75,000 area in what he described as one of the outstanding cases in the state.

Warner had located the house the Westley Heights area of three Washington where the ones live and had mentioned the name as Mrs. Mary H. Reynolds, check made by the Washington Post and Times Herald, noted that Mrs. Reynolds was out town.

As I write I often wonder . . . do my words fashion true friendships . . . do they foster brotherhood . . . do the heavy hearts feel lighter . . . when they read the things I pen . . . how I play my humble efforts . . . help make life a peaceful quest . . . if my verses make folks happy . . . or cement the bonds of love . . . Hospital Fact

A surgeon and his team wear gloves only one-hundredth of an inch thick. Asper's makes something necessary out there must be minimum interference with the sense of touch.

Warner Hospital stocks surgical gloves in all sizes. To make them ship on easily they are powdered in the surgical supply room. Autoclaving for 10 minutes makes them sterile. Nicked gloves may be repaired with rubber cement but the chief surgeon wears gloves with unemended fingers. Most gloves are of yellow latex, but there are anti-allergic brown ones. Yes, doctors can have allergies too.

OCTOBER WAS

(Continued from Page 1)

average reading a cool 51.95 degrees. Normal here is 53.9 degrees, although only three other Octobers in the last 30 years have had below normal average temperatures.

The last October that was as cool here as last month was in 1925 when there were three inches of snow that month and temperatures dropped as much as nine degrees below freezing.

Arendtsville Report

The Arendtsville weather station report compiled by Dr. Frank N. Hewelson showed an average temperature there last month of 50.5 degrees, which is 4.3 degrees below normal there. The average daily high reading was 62 degrees and the average low was 39 degrees. The high for the month was 73 on October 2 and the low was 28 on Monday of this week.

Rainfall at Arendtsville came to a total of 4.14 inches which is 0.47 inches above normal. October rains brought the 1957 10-month total there to 29.72 inches which is 6.48 inches short of normal. Arendtsville received 179 hours and 30 minutes of sunshine last month which was 51.9 per cent of the total "available."

PAVE WAY FOR BORDER STUDY

UNITED NATIONS, N.Y. (AP)—The U.N. General Assembly debate on the Turkish-Syrian crisis appeared headed for a quick finish today as Syria and opposing Western nations agreed not to press their rival resolutions to a vote.

Secretary General Dag Hammarskjöld was reported ready to make known his willingness to try to resolve the border dispute.

Both Syria and Turkey reportedly agreed last night to let Hammarskjöld use his power under the U.N. charter to ease tensions through quiet diplomacy.

A stalemate created by apparent inability of either resolution to win a necessary two-thirds majority was broken when Norway and Japan worked out a compromise.

The United States was reported to have played a role in reaching the agreement, under which neither of the two pending resolutions would be pressed to a vote.

Prepare For Tonight's Panel Talks

74-Foot Pilotless Bomber Is Fired; May Soar 5,000 Miles

MISSILE TEST CENTER, CAPE CANAVERAL, Fla. (AP)—Rocketmen launched a Snark here yesterday in the second firing in as many days.

The Snark, a 74-foot-long pilotless bomber with 42-foot wingspread, travels slower than some jet fighters, but is designed to fly 5,000 miles under guidance and then dive with a nuclear warhead on its target.

Last spring a Snark launched from Cape Canaveral broke out of control and last was seen headed for the jungles of Brazil.

Announcement of yesterday's Snark firing was made by the Defense Department, which said also that on Wednesday night a Jupiter "A" missile was sent aloft and then destroyed because of a malfunction.

Watchers saw the Jupiter climb 30,000 feet straight up and then veer to the southeast. A booster stage fell into the ocean after the missile disappeared from sight.

Others Not Obsolete

The Jupiter is a ballistic missile with control gear built into the missile. The Snark is a guided missile designed to be controlled from a distance.

Adm. Arleigh Burke, chief of naval operations, said yesterday the intercontinental ballistic missile does not make other weapons obsolete.

"It's a good thing we have many ways of getting to them—the Russians—he said in an interview after returning to Washington from an inspection of the 7th Fleet in the Pacific.

Among the other ways, he listed long range Air Force bombers, "all kinds of missiles, including Navy missiles—and, of course, Navy Air."

In Baltimore last night, the Air Force's Air Research and Development Command said it has duplicated in a new "hot" tunnel the high temperatures, pressures and velocities encountered by missiles re-entering the atmosphere.

The command said the tunnel, called "Hotshot," has generated temperatures in excess of 15,000 degrees Fahrenheit, pressures of more than 20,000 pounds per square inch, and velocities up to 20 times the speed of sound.

The research is being conducted at the Arnold Engineering Development Center near Tullahoma, Tenn.

SPUTNIK IN ORBIT

As the United States pressed its missile work, Russia's Sputnik stayed in its orbit, quietly circling the earth at 18,000 m.p.h. The Red sphere was launched Oct. 4.

Sputnik and its carrier rocket are now presently crossing the American continent during the daylight hours when visual observations are possible.

Littlestown WILL ELECT 17 TOWN OFFICIALS NEXT TUESDAY

Littlestown voters will select 17 borough officials Tuesday as well as aiding in the selection of county officers at an annual election.

P. L. Landman is assured another term as justice of the peace in Littlestown. He appears as both a Republican and Democratic candidate for the office.

The Littlestown voters will make selection between Democrat Ernest R. Senz and Republican Elmer G. Miller for burgess.

For School Board

Two school directors will be selected from among three candidates: Karl P. Bankert, a Democrat, and Richard A. Matland and Robert H. Thomas, both Republicans.

Leroy W. Bush, Democrat, and Edward F. Hawk, Republican, are the candidates for tax collector.

Reports are unwilling to say the rocket rose more than 2,750 miles above Earth. Either the Far Side transmitter stopped after that, or radio interference prevented clear identification of further signals.

The Air Force had said it hoped the rocket would go 1,000 to 4,000 miles into space. At a recent news conference, an Air Force scientist—Col. Eugene C. Lavier—said there were adequate reasons to believe the rocket exceeded the 4,000 mile mark by a few hundred miles.

An Air Force spokesman said last night only that "we don't know what was the exact height reached by the rocket."

Candidates for auditor are Harry O. Harner, Democrat, and Paul E. Renner, Republican.

Each ward will also select assessors, constables, councilmen and election officials.

In the First Ward Robert J. Eckenrode, Democrat, and Robert W. Gouker, Republican, are the candidates for assessor. Gerald W. Daley, a Democrat, is the only candidate for constable.

Candidates For Council

First Ward residents will pick two councilmen from four candidates. Charles E. Lemmon and Fred W. King, Democrats, and Lewis H. Fox and George L. Matland, Republicans, Edgar E. Yealy, Republican, is the only candidate for judge of elections in the First Ward. Holmar L. Sell, Democrat, and Edna A. Baschoor, Republican, are the candidates for inspector of elections.

In the Second Ward Calvin W. Mummet holds both the Republican and Democrat nominations for constable. Maurice C. Wareheim holds the nominations of both parties or assessor. The Second Ward will select one councilman from between two candidates, Robert J. Stonesifer, Democrat, and Frank E. Stonesifer, Republican.

In the Second Ward John W. Legore, Democrat, and Mervin E. Creager, Republican, are the candidates for judge of elections. The candidates for inspector of elections are Edgar A. Wolfe, Democrat, and Lynn E. Peeser, Republican.

JERUSALEM (AP)—A grenade splinter was removed from Premier David Ben-Gurion's left leg this morning and his condition is satisfactory, a hospital source said.

The 70-year-old Ben-Gurion has been in the hospital since a deranged man lobbed a grenade to the floor of Parliament Tuesday.

these funds if its directors report that they have spent \$20,000 to keep an empty building, which will require further periodic expenditures on upkeep.

"Thirdly, the only hope of saving Old Dorm is for historical societies, patriotic organizations, civic groups, and individuals to provide necessary funds. Mention was made in the correspondence of educational foundations. These do not contribute to denominational seminaries. Seminary foundations provide only for actual scholarship programs.

Need Resources
"Some individuals in the board may contribute to a fund. But good stewardship will not permit the board itself to use its endowments or appropriations for this. There are too many pressing, immediate and future needs confronting the seminary. And the trustees have seen too many endowment funds shrinking through the years to permit them to tap these resources.

"This is written in the interest of clearing up some misconceptions indicated in the letters, and in vindication of a faithful body of elected trustees who are dedicated to the wise administration of their trust."

Report Nixon Is Target Of Vindictive Southern Group

ATLANTA (AP)—A member of a Georgia organization formed to resettle Negroes in exclusive Northern white neighborhoods says Vice President Richard Nixon may be the group's first target.

But the founder of the group, American Resettlement Foundation, Inc., said any such report was entirely without foundation.

State Welfare Director Alan Kemper, a charter member of the foundation, was asked about the Nixon report yesterday, and replied:

"I would say Nixon is a pretty good candidate."

He declined, however, to be more specific.

State Rep. A. A. Fowler Jr. of Douglasville, founder of the organization, told The Associated Press there was nothing to the report.

"It is absolutely without foundation," Fowler declared.

Kemper said a Negro family, preferably a large one, will be moved into a swank Northern white residential area by Christmas and that Fowler had obtained an option on a house in the \$75,000 class in what he described as one of the outstanding cities in the United States.

Reports had located the house in the Wesley Heights area of northwest Washington where the Nixons live and had identified the owner as Mrs. Mary H. Renshaw.

A check made by the Washington Post and Times Herald revealed that Mrs. Renshaw was out of town.

ON LEGION COMMITTEE

State Senator Douglas H. Elliott, vice president of Wilson College, was notified today of his re-appointment as vice chairman of the Legislative Committee of the American Legion, Department of Pennsylvania. The appointment was made by John W. Collis, department commander. Elliott represents the Adams-Franklin District.

In 1784 General La'ayette and all his descendants — forever after — were made citizens of Maryland.

"I OFTEN WONDER"

As I write I often wonder . . . If my thoughts are doing good . . . do my words fashion true friendships . . . do they foster brotherhood . . . do the heavy hearts feel lighter . . . when they read the things I pen . . . how I pray my humble efforts . . . help make life a peaceful gleam . . . if my verses make folks happy . . . or cement the bonds of love . . . I am lifted from this abyss . . . to the fleecy clouds above . . . some may say I'm just a dreamer . . . this, in part, may well be true . . . but with faith I'll keep on writing . . . in the hope of pleasing you.

Hospital Fact

A surgeon and his team wear gloves only one-hundredth of an inch thick. Asepsis makes sheathing necessary but there must be minimum interference with the sense of touch.

Warner Hospital stocks surgeons' gloves in all sizes. To make them

slip on easily they are powdered in the surgical supply room. Autoclaving for 10 minutes makes them sterile. Nicked gloves may be repaired with rubber cement, but the chief surgeon wears gloves with unmened fingers. Most gloves are of yellow latex, but there are anti-allergic brown ones. Yes, doctors can have allergies too.

OCTOBER WAS

(Continued from Page 1)

average reading a cool 51.95 degrees. Normal here is 53.9 degrees although only three other Octobers in the last 30 years have had below normal average temperatures. The last October that was as cool here as last month was in 1925 when there were three inches of snow that month and temperatures dropped as much as nine degrees below freezing.

Arendtsville Report

The Arendtsville weather station report compiled by Dr. Frank N. Hewetson showed an average temperature there last month of 50.5 degrees, which is 4.3 degrees below normal there. The average daily high reading was 62 degrees and the average low was 39 degrees. The high for the month was 73 on October 2 and the low was 28 on Monday of this week.

Rainfall at Arendtsville came to a total of 4.14 inches which is 0.47 inches above normal. October rains brought the 1957 10-month total there to 29.72 inches which is 6.48 inches short of normal. Arendtsville received 179 hours and 30 minutes of sunshine last month which was 51.9 per cent of the total "available."

PAVE WAY FOR BORDER STUDY

UNITED NATIONS, N.Y. (AP)—The U.N. General Assembly debate on the Turkish-Syrian crisis appeared headed for a quick finish today as Syria and opposing Western nations agreed not to press their rival resolutions to a vote.

Secretary General Dag Hammarskjöld was reported ready to make known his willingness to try to resolve the border dispute.

Both Syria and Turkey reportedly agreed last night to let Hammarskjöld use his power under the U.N. charter to ease tensions through quiet diplomacy.

A stalemate created by apparent inability of either resolution to win a necessary two-thirds majority was broken when Norway and Japan worked out a compromise.

The United States was reported to have played a role in reaching the agreement, under which neither of the two pending resolutions would be pressed to a vote.

Prepare For Tonight's Panel Talks

74-Foot Pilotless Bomber Is Fired; May Soar 5,000 Miles

MISSILE TEST CENTER, CAPE CANAVERAL, Fla. (AP)—Rocketmen launched a Snark here yesterday in the second firing in as many days.

The Snark, a 74-foot-long pilotless bomber with 42-foot wingspread, travels slower than some jet fighters, but is designed to fly 5,000 miles under guidance and then dive with a nuclear warhead on its target.

Last spring a Snark launched from Cape Canaveral broke out of control and last was seen headed for the jungles of Brazil.

Announcement of yesterday's Snark firing was made by the Defense Department, which said also that on Wednesday night a Jupiter "A" missile was sent aloft and then destroyed because of a malfunction.

Watchers saw the Jupiter climb 30,000 feet straight up and then veer to the southeast. A booster stage fell into the ocean after the missile disappeared from sight.

Others Not Obsolete

The Jupiter is a ballistic missile with control gear built into the missile. The Snark is a guided missile designed to be controlled from a distance.

Adm. Arleigh Burke, chief of naval operations, said yesterday the intercontinental ballistic missile does not make other weapons obsolete.

"It's a good thing we have many ways of getting to them—the Russians—he said in an interview after returning to Washington from an inspection of the 7th Fleet in the Pacific.

Among the other ways, he listed long range Air Force bombers, "all kinds of missiles, including Navy missiles—and, of course, Navy Air."

In Baltimore last night, the Air Force's Air Research and Development Command said it has duplicated in a new 'nd tunnel the high temperatures, pressures and velocities encountered by missiles re-entering the atmosphere.

The command said the tunnel, called "Hotshot," has generated temperatures in excess of 15,000 degrees Fahrenheit, pressures of more than 20,000 pounds per square inch, and velocities up to 20 times the speed of sound.

The research is being conducted at the Arnold Engineering Development Center near Tullahoma, Tenn.

SPUTNIK IN ORBIT

As the United States pressed its missile work, Russia's Sputnik stayed in its orbit, quietly circling the earth at 18,000 m.p.h. The Red sphere was launched Oct. 4.

Sputnik and its carrier rocket are not presently crossing the American continent during the twilight hours when visual observations are possible.

Littlestown

WILL ELECT 17 TOWN OFFICIALS NEXT TUESDAY

Littlestown voters will select 17 borough officials Tuesday as well as aiding in the selection of county officers at annual election.

F. Loy Lindaman is assured another term as justice of the peace in Littlestown. He appears as both the Republican and Democratic candidate for the office.

The Littlestown voters will make selection between Democrat Ernest R. Sentz and Republican Elmer G. Miller for burgess.

For School Board

Two school directors will be selected from among three candidates: Karl P. Bankert, a Democrat, and Richard A. Maitland and Robert H. Thomas, both Republicans.

Leroy W. Bush, Democrat, and Edward F. Hawk, Republican, are the candidates for tax collector.

Two school directors will be selected from among three candidates: Karl P. Bankert, a Democrat, and Richard A. Maitland and Robert H. Thomas, both Republicans.

The Air Force had said it hoped the rocket would go 1,000 to 4,000 miles into space. At a recent news conference, an Air Force scientist—Col. Eugene C. Lavier—said there were adequate reasons to believe the rocket exceeded the 4,000 mile mark by a few hundred miles.

An Air Force spokesman said last night only that "we don't know what was the exact height reached by the rocket."

Candidates for auditor are Harry O. Harner, Democrat, and Paul E. Renner, Republican.

Each ward will also select assessors, constables, councilmen and election officials.

In the First Ward Robert J. Eckenrode, Democrat, and Robert W. Gouker, Republican, are the candidates for assessor. Gerald W. Daley, a Democrat, is the only candidate for constable.

Candidates For Council

First Ward residents will pick two councilmen from four candidates: Charles E. Lemmon and Fred W. King, Democrats, and Lewis H. Fox and George L. Maitland, Republicans. Edgar E. Yealy, Republican, is the only candidate for judge of elections in the First Ward; Holman L. Sell, Democrat, and Edna A. Basehor, Republican, are the candidates for inspector of elections.

In the Second Ward Calvin W. Mummert holds both the Republican and Democrat nominations for constable. Maurice C. Wareheim holds the nominations of both parties for assessor. The Second Ward will select one councilman from between two candidates, Robert J. Stonessifer, Democrat, and Frank E. Stonessifer, Republican.

In the Second Ward John W. Legore, Democrat, and Mervin E. Creager, Republican, are the candidates for judge of election. The candidates for inspector of elections are Edgar A. Wolfe, Democrat, and Lynn E. Feeser, Republican.

JERUSALEM (AP)—A grenade splinter was removed from Premier David Ben-Gurion's left leg this morning and his condition is satisfactory, a hospital source said.

The 70-year-old Ben-Gurion has been in the hospital since a de-ranked man lobbed a grenade to the floor of Parliament Tuesday.

Huge Homecoming Crowd Anticipated For Bullet-Lafayette Game Saturday

A standing-room-only crowd is expected to jam Memorial Field at Gettysburg, College Saturday afternoon when the Bullets meet Lafayette at 2 o'clock in the annual Homecoming attraction.

Henry T. Bream, athletic director, reports a sell-out of reserved seat tickets for the game which pits two of the top small college teams in the East against each other.

Missing from the Homecoming program will be the fraternity float parade which, together with other Homecoming activities, was cancelled due to the epidemic of illnesses at the college.

Knight Ailing
With the exception of "Chet" Knight, sophomore end, the Bullet squad will be in good condition for the game, according to Coach Eugene Haas. Knight has not worked out all week and it is probable he will miss action entirely.

Stan Musser, Arlo Olsen and Dick Davidyock are all in top-notch shape and will take care of the wing positions.

Marty Hoffner, tackle, who missed the Muhlenberg game, is ready again and will line up with Al Kempton at those positions. Bob Barkley, another front line tackle, is also ready for full time service.

Don Harman, Carl Schoenborn or Dick Rowan will man the guard posts with Dave Yohn at center.

The backfield is intact and will open with Neil Hickoff or Dick Stravolo at quarterback. Don Hailey and Earl Yost at halfbacks, and all-star Frank Capitan at fullback.

Bainbridge A Threat
Posing a threat to the Bullets is Merle Bainbridge, 180-pound sophomore quarterback, who tossed the Leopards to an easy 35-13 win over Bucknell last week. Bainbridge completed nine of 11 passes, including three touchdown aeriels.

The Leopards sport a 3-1 record, losing only by one point, 13-12, to Temple while registering victories over Muhlenberg 20-13, Buffalo 14-6 and Bucknell.

Gettysburg is 4-1, losing only to unbeaten Lehigh while triumphing over Bucknell, Western Maryland, Albright and Muhlenberg.

Leopards Seek Revenge
The game promises to be one of the hardest fought on the Bullet schedule as both schools aim to improve their Lambert ratings which now has Lafayette as seventh and Gettysburg eighth in the small college Eastern group.

Lafayette leads in the series 12-4. Last year the Bullets knocked the Leopards from the unbeaten class with a 12-6 victory and Coach Steve Hoker and his boys are seeking revenge.

FEW BREATHERS SATURDAY ON COLLEGE GRID

By ED WILKS
College football reaches the point of no return this weekend in the big races for conference titles and bowl shots. And only Oklahoma, among the unbeaten, untied giants, and three other clubs among the nation's top 10 figure to be breathing easy come tomorrow evening.

Oklahoma should have a ball making Kansas State No. 46 in its winning streak. It looks like the same sort of afternoon for Ohio State, Army and North Carolina State, rated eight, nine and 10 in the current Associated Press poll.

Ohio State, still shooting for the Rose Bowl and maybe the Big Ten crown as well, meets winless Northwestern, Army, once-beaten as is Ohio State, plays Colgate. And NC State, undefeated but twice tied, and NCAA barred from a bowl bid, meets winless Wake Forest in an Atlantic Coast Conference game.

But for the rest—blood, sweat and maybe tears here and there. Texas A&M, carrying the No. 1 ranking for the first time this season, meets Arkansas, once-beaten, still breathing in the Southwest conference right for the Cotton Bowl. Unbeaten Iowa and Auburn, ranked third and fourth, could have tough times against conference foes, too—the Hawkeyes against improved Michigan and Auburn against Florida.

Unbeaten Notre Dame, rated No. 5, has slipped past Army and Pittsburgh in its last two games and now meets once-beaten Navy. Michigan State, No. 6, still has a hope for the Rose Bowl going into tomorrow's game with Wisconsin's Badgers. And tied but unbeaten Duke, ranked No. 7 with the ACC's Orange Bowl okay apparently in hand, has a toughie in Georgia Tech, a poor 2-2-1, but still in line for a possible bowl berth.

That's what the top 10 face tomorrow. Now here's the picture in the conference races:

SOUTHWEST—While Texas A&M should have the edge over Arkansas, the Porkers are battling to stay in on the title tangle that pays off with a Cotton Bowl berth. Texas, tied with A&M for the conference lead, meets Southern Methodist.

BIG TEN—Iowa can't play in the Rose Bowl two years in a row, but the Hawkeyes could repeat as conference champs by defeating Michigan—and then Minnesota and Ohio State.

SOUTHEASTERN—Auburn and Florida are both barred from bowls by NCAA probation. Auburn currently is tied for the lead with Mississippi, which meets non-league Houston tomorrow night. Auburn and Mississippi do not meet.

BIG EIGHT—If anyone but Oklahoma rules this roast it might be Missouri, if the Tigers can get past Colorado tomorrow. Then all Missouri has to do is knock off the Sooners next week.

PACIFIC COAST—Oregon, Washington State and Stanford lead the way in the battle to the Rose Bowl, and Oregon meets Stanford tomorrow. Washington State plays Oregon State.

ATLANTIC COAST—Duke, tied by NC State, has the nod because of the Wolfpacks' bad boy ranking by the NCAA.

IVY—Dartmouth, lone unbeaten untied team in the East, meets Yale and the loser likely has had it. Princeton, tied with Dartmouth in the league, plays Brown.

Other major games this weekend:

TONIGHT
Villanova at Miami, Fla. Boston U. at George Washington.

TOMORROW
EAST—West Virginia at Penn State, Columbia at Cornell, Harvard at Penn, Syracuse at Pitt, Delaware at Rutgers.

Waynesboro at Shippensburg.

Gettysburg Junior High waited until its last game of the season to score its first points and its only victory when it edged Chambersburg here Thursday afternoon 7-6 in a hard fought South Penn Junior High League game.

Early in the opening period Harold Miller fired a 25-yard pass to Terry Hise, end, who raced five yards for the Braves' score. What was to prove the winning point was made by Miller who slashed off tackle for the extra point.

Chambersburg returned the opening kickoff to its 44 and on the second play the Braves recovered a fumble on the visitors' 42 to open the door to the score. Miller ran for a first down on the 30 from where he pitched his TD pass.

Fumble Costly
A fumble also set up Chambersburg's score in the final quarter. The Gladiators recovered the fumble on the Warriors' 15. They picked up a first down on the 3 from where Jack Mull plunged over. The Braves' line smothered a rushing attempt for the point to preserve the victory.

Late in the first period the visitors threatened by driving from their own 41 to the Gettysburg 22 where the Braves braced and took possession.

Gettysburg was in hot water shortly after receiving the second half kickoff via a 15-yard penalty which set the Braves back to their 6. Dale Smith punted out to the 20. A pass moved the ball to the Gettysburg 11 where the Braves recovered a fumble. Coach Ray Ellis' squad worked the ball out to the 25 on a six-yard advance by Maitland and an eight-yard aerial from Ronnie Frew to Hise, but a 15-yard penalty set them back to the 10 from where Smith booted out to his 25 to open the final period. The Braves soon took over on the 21 but fumbled on the 15 and it was from that point Chambersburg moved to score.

The victory gave the locals a 1-3-1 record for the campaign.

NAVY'S AIR ARM HAS NOTRE DAME ON WEEK'S ALERT

By CHARLES CHAMBERLAIN
SOUTH BEND, Ind. (AP)—Navy's air arm, in the person of passer Tom Forrestal, has caused quite an alert at Notre Dame.

The unbeaten Irish, ranked No. 5 nationally off four victories, have been cramming on pass defense all week in preparations for the Middles tomorrow.

In the recent past, aeriels have licked some very good Notre Dame football teams. Daie Samuels and Purdue did it 28-14 in 1950. Fred Benner and Southern Methodist did it 27-20 in 1951. Len Dawson and Purdue did it 27-14 in 1954.

49 Of 95 Completions
This year's Irish, although making a grand comeback from last year's worst season in history, can't rate with the teams of other years. But apparently Navy's Forrestal can rate with any of those passers who hurled the Irish into defeat.

He has completed 49 out of 95 tosses for 687 yards and 6 touchdowns. Last week he fired four touchdown passes in leading Navy to a 35-7 victory over Pennsylvania.

If Forrestal winds up tomorrow, the Irish will try their best to duplicate the feat of North Carolina. The Tarheels intercepted five passes in handling the Middles their only setback in six starts.

Four opponents have hit on 20 of 56 passes for 220 yards against Notre Dame. Five have been intercepted.

Navy's Worries
If Notre Dame's pass defense is too tough, we'll have to go on the ground," said Navy Coach Eddie Erdelatz in revealing a rare bit of strategy.

"One of the fellows I think will give us the most trouble is that Irish fullback (Junior Nick Pietrosante)."

"Also what worries us," continued Erdelatz, who declares Notre Dame should be a 14 point favorite instead of 3, "is their ability to come back against teams like Army and Pitt after trailing. This must be one of those typical South Bend squads again."

The Navy game has been sold out since August with 57,000 capacity assured. It will be the 31st contest in the longest continuous intersectional rivalry in college football. The Irish have won 24 times, lost 5 (including 33-7 last year) and one game was tied.

Eskimos are believed to be descended from the same stock as American Indians. There is a similarity in their languages and culture.

Littlestown Grade Team Beaten 26-0

The Little Flashes, seventh and eighth grade football team of Littlestown, dropped a 26-0 decision to Northern Joint of Dillsburg Thursday at Littlestown.

Two additional games have been added for the Little Flashes. Next Wednesday they will be host to Susquehanna at 7:30 p.m. and on November 12 meet Annunciation at McSherrystown.

Score by periods:

GHS JAYVEES LOSE 19-7 AT CHAMBERSBURG

The Gettysburg High School junior varsity football team dropped its fourth game in as many starts when it bowed at Chambersburg Thursday afternoon 19-7.

Gordon Richardson, quarterback, plunged over from the 2-yard line in the fourth period to climax a 65-yard drive for Gettysburg's lone TD. Bob Dean plunged for the point.

Chambersburg scored a touchdown in the first minute of play after a long run to the Warriors' 20 from where a penalty set the locals back to the 5. Two more tallies in the second period, the last on a pass interception and run of about 35 yards, completed the scoring for the Trojans.

Ed Simpson, center, and Mike Small, end, were standouts for Gettysburg, particularly in the second half when the entire squad played much improved ball.

Next Thursday the local Jayvees will conclude their season by meeting Shippensburg here at 3:30 to make up a previously postponed game.

The lineup:
Gettysburg
Ends — Small, Waddell.
Tackles — Groscholtz, Kershner, Swope.
Guards — Rudisill, Sneed.
Center — Simpson.
Backs — Rohrbaugh, Gulden, Fissell, Dean.

Chambersburg
Ends — Frey, Brown.
Tackles — Glass, Osterman.
Guards — Owens, Thomas.
Center — Bowen.
Backs — Bayer, Hull, Schlichter, Meals, Shatzer.

Score by periods:

BILL HARTACK SETS SIGHTS ON NEW MARK

By ORLO ROBERTSON
The Associated Press

Bill Hartack, the energetic jockey who sets at least three records every time he wins a stakes race, today focused his sights on being the first to lead the nation's riders three successive years.

And the 24-year old reinsman from the soft coal fields of western Pennsylvania is well on his way toward achieving his goal after winning the title with 417 winners in 1955 and with 347 last year. This year he has returned to the winner's circle 329 times for a spread of 50 over Willie Shoemaker, who holds the record with 483 victories in 1953.

"For the next four weeks I hope to ride as much as possible," Hartack said. "Then I'm taking my first vacation of the year—December in Miami. That's definite."

Suppose Shoemaker, who like Hartack is a busy rider, runs into a hot streak?

"I hope I can insure my lead over Shoemaker by riding and winning this month at the New Jersey and Maryland tracks," was Hartack's reply.

With 41 victories, Hartack has won more stakes than any other jockey. His winning mounts in stakes also top the money list with earnings of \$1,611,395.75. And he holds the record for money won in stake races, including that gleaned from second, third and fourth places. Now he breaks all three records every time he wins a stake race.

BALDING LEADS AT SAN DIEGO

SAN DIEGO (AP)—The San Diego Open Golf Tournament goes into its third round today with Canadian Al Balding holding a two-stroke lead with a 13-under-par score of 131 for 36 holes.

His closest rivals were Fred Hawkins, El Paso, Texas, and Arnold Palmer, Latrobe, Pa., each with 133.

Balding, playing out of Miami Beach, Fla., used his own woods and putter but a set of borrowed irons in touring the 6,800-yard Mission Valley Country Club course yesterday in an eight-under-par 64. His first round was 67. Par is 36-36-72.

Next in order, all with 135s, were Billy Casper, San Diego; Doug Ford, Mahopac, N.Y.; Don Whitl, Alameda, Calif., and Charles Sifford, Philadelphia.

Cup A Day Provided Under Coffee Rationing Nov. 28: Washington, D. C. — Coffee will be rationed starting at midnight November 28 at a rate of one pound every five weeks for each person over 15 years old. The Office of Price Administration announced today.

On the basis of 35 to 40 cups to the pound, the ration means slightly more than a cup a day per person.

M. D. DeTar Named O. P. A. Consultant: M. David DeTar, York street, president of the Aero Oil Company of New Oxford since its organization, has been appointed a special consultant in the Office of Price Administration at Washington, D. C.

Club Speaker Claims Hitler Will Tumble: Predicting Hitler's downfall and pointing to the Russian campaign as the "straw that is breaking the camel's back in Germany," the Rev. Stewart Winfield Herman Jr., Harrisburg, Gettysburg college alumnus and former pastor of the American church in Berlin, told Gettysburg Rotarians and Lions at a joint dinner meeting Monday evening that the spirit of revenge against the whole German people must be avoided in the peace after this war if the world is to be spared another Hitler in the next century.

Miss Bucher Named Union Twp. Teacher: Miss Evelyn Wackerman Bucher, Littlestown, was elected teacher at Felt's School, Union township, at a meeting of the Union township school board Tuesday evening.

She succeeds Miss Hildah J. Dutterer, Littlestown, who next Monday becomes the second grade teacher in the Littlestown public school succeeding Miss Janet E. Mehning who resigned a week ago to accept a war plant position in York.

Mrs. G. R. Thompson, Gettysburg, was elected last Saturday by the Straben township school board as teacher of the Round Top School. She succeeds John Z. Millar, who recently resigned.

C. Of C. Group To Fix Extent Of Yule Lights: At least a part and perhaps all of the Christmas street lights will be erected this year, the Gettysburg Chamber of Commerce decided at its October dinner meeting Tuesday evening at the Battledieu Hotel.

A committee of three was appointed by President Mares Sherman to determine the extent of the Christmas street lighting this year. It was suggested that only the Christmas lights in center square be erected, while others expressed themselves as favoring the complete lighting system.

The committee comprises Vernon Corle, chairman; Joseph E. Codori and Dr. J. Walter Coleman.

3 Countians Given Offices By Lutherans: Three countians were included among the officers installed Wednesday at the York convention of the Women's Missionary Society of the Lutheran Church.

The officers elected to serve the West Pennsylvania Conference of the Central Pennsylvania Synod include Mrs. C. L. Yost, Bigler, vice president; Mrs. C. C. Culp, Gettysburg, treasurer; Miss Margaret E. Williams, Gettysburg, associate editor of "The Bulletin."

A. R. LeVan And Myrtle Cullison Wed In Frederick: Alfred R. LeVan, 271 Baltimore street, local plumber and former president of the Gettysburg borough council, and Miss Myrtle Cullison, Cashown, proprietress of the Helen-Kay shop on Chambersburg street, were united in marriage Thursday afternoon at Frederick.

Blitz Buggy Is Ready For Use In Air Raids: An air raid wardens service wagon, the latest thing in civilian defense equipment, has been completed by the wardens of Post 22, the second block of East Middle street in Sector 1 of Gettysburg, and goes on display this evening at the engine house on E. Middle street.

Today's Talk

PROBLEMS
This world of ours is filled with problems. The various nations have them, and so does every person. It is how we learn to solve them, in a manner that adds to our happiness and contentment, that is so important. Too many people make problems out of themselves!

Thoreau wrote and urged "simplicity, simplicity"—and he practiced it in his own life. Life is not in any way complicated as we make it. I believe that one of the important problems is to learn how to get along with ourselves. We can be our best, or worst friend. "Know thyself," said Socrates. That covers a world of meaning.

We know so comparatively little, take it all in all; but I believe we know less about ourselves than anything else. I know those who find it more difficult to get along with themselves than with anyone else.

I recall that when in college we used to have many difficult problems in mathematics to solve—but someone always solved them! It is a joy to look back and recall the problems that we did solve. It's like that in life. The problems we set ourselves to solve, and do, are all in the past. We often think we have difficult problems, but there are others who have worse ones! The good Lord has put sparks of bravery in us all which can inspire us to handle any problem that may trouble us! Keep this thought in mind.

We should exercise our faith, and give it a chance to perform the miracles that it does every day for multitudes of others. Why can't we take a suggestion from a popular phrase and get a forward look?

Tomorrow Mr. Adams will talk on the subject: "Friend Of The Year."

INDICTED FOR HIDDEN DEATH

WILKES-BARRE, Pa. — A Luzerne County grand jury yesterday indicted a New Jersey woman on charges she concealed the death of an illegitimate child 18 years ago.

The jury's action was recommended by Dist. Atty. Albert Aston in the case of Mrs. Helen Navitski, now a resident of Bloomfield, N. J., who formerly was employed as a housemaid in a home at Nanticoke, Pa.

Aston said plans are under way to bring Mrs. Navitski here for prosecution but added she is fighting extradition from New Jersey. County detectives said Mrs. Navitski, questioned at Bloomfield, admitted hiding the body of her child between some flooring and ceiling, immediately after the infant was born 18 years ago.

Aston said it had been decided that prosecution of Mrs. Navitski on a murder charge was deemed almost impossible under the circumstances.

SAYS SPUTNIK MONTHS AHEAD OF U. S. SCIENCE

By HERMAN R. ALLEN
CHICAGO (AP)—A ranking scientific manpower authority said today it will be months before the government can even begin to re-tool its scientific training programs to cope with "events of the past three weeks."

The three-week period cited by M. H. Trytten covers approximately the time in which Russia lofted its Sputnik and claimed to have perfected a hydrogen warhead for guided missiles.

Trytten added in a speech prepared for a scientific and engineering education conference:

"We know, too, that in spite of all we can do in the next few years the shortage of high level researchers will remain and our relative supply in comparison to the Iron Curtain countries will become worse over the immediate future measured in years."

Trytten is director of the Office of Scientific Personnel of the National Academy of Sciences-National Research Council, Washington. The two agencies are non-governmental but work closely with the government.

"The challenge which has broken upon us," Trytten said, "is so massive . . . that it will be months before the various new programs and the reorientation of old ones can be analyzed for their manpower requirements."

Hopeful Signs

As to the present supply of scientists and engineers, Trytten said figures are "elusive and unsatisfactory." He estimated, however, that there are about 600,000 professionally qualified engineers in the country despite "some recent national enumerations which indicate up to 900,000." He did not identify these enumerations.

Noting that engineering school graduations have begun to rise after a dive in the early '50s and promise to rise further, he said, "This is indeed hopeful but much ground needs to be recovered."

College graduations in chemistry and physics, Trytten said, "have emerged on a dead level plateau beginning in 1951 and continuing through 1956," with 1957 figures not yet compiled.

RESIGNATIONS OF TOLL TAKERS NOT ACCEPTED

MORRISVILLE, Pa. — Five toll collectors yesterday submitted their resignations to the Delaware River Joint Toll Bridge Commission but they were turned down.

William M. Norton of Phillipsburg, N. J., chairman of the commission said the resignations were turned down because an investigation now is in progress into toll collections on the bridges operated by the agency. He added that the commission's refusal to accept the resignations did not mean in any sense that the five were considered guilty of any wrong doing.

9 Were Dismissed
The five submitted their resignations following the dismissal of nine other commission employees last September on charges they pocketed toll moneys. The commission said at that time the practice had resulted in a loss of thousands of dollars.

Norton said the five who tendered their resignations to a meeting of the commission here said they were doing so on the grounds the bridges operated by the commission are expected to be toll-free within the next few years and there then would be no jobs for them.

Norton identified the five as

KLANSMAN GETS 20-YEAR TERM FOR BAD CRIME

By JACK STILLMAN

BIRMINGHAM, Ala. — The first of six Ku Klux Klansmen has been convicted in the mutilation of a Negro man, and the trial of five others will begin next week.

Joe E. Pritchett, 31-year old construction worker, was convicted of mayhem yesterday by a circuit court jury which deliberated about 40 minutes.

Judge Alla King sentenced the Klansman to 20 years imprisonment—the maximum sentence. He was convicted as the "boss man" of a Klan detail assigned to test the courage of another Klansman, B. A. Floyd, who was to have been promoted to captain in the Klan last.

After the jury's verdict was read, Pritchett's attorney filed notice of appeal, and King set bond at \$20,000.

"This is one of the worst things ever to come before my bench," said King. "I have found nothing in the testimony to justify less than the limit."

Pritchett, called the grand cyclops of the Klan organization to which he belonged, and five other white men were indicted on charge of kidnapping a 33-year-old Negro handyman, Judge Edward Aaron, last Labor Day.

Aaron said he was taken to a Klan meeting place, where he was beaten and then castrated while he lay unconscious.

Two of the six Klansmen charged with the act testified

Stanley R. Clymer, Frank R. Kern, John H. Brower, William J. Eretta and Charles Riehl, all of the Easton, Pa.—Phillipsburg, N. J., area.

Halloween Masks Used By 2 Gunmen

LYMAN, S. C. (AP)—A supermarket manager was robbed of about \$20,000 last night by two Halloween-masked gunmen who bound and slugged him before fleeing in this car.

Robert Littlejohn said he was just closing the Community Cash supermarket when two white men, both wearing robe-type Halloween costumes, accosted him.

"Hello, fellas, you playing trick or treat?" Littlejohn asked.

"This ain't going to be no treat," the manager said both replied as they drew .38 caliber pistols. He said they ordered him to hand over a bag containing the night's receipts.

Wyoming Backs Fraternity Pins

LARAMIE, Wyo. (AP)—When a University of Wyoming coed lets her best boy friend hang his fraternity pin on her, they had better mean they're really engaged.

County Atty. Lynn Rees discovered a Wyoming law which says only a man's mother, daughter, sister or the girl he's engaged to may wear his fraternity pin.

Rees said so far as he knows the law has never been enforced. "There's not enough room in our jail," he added.

NO TREAT—TAME TRICK

ALBUQUERQUE, N. M. (AP)—The tame, new generation somehow hasn't quite got the idea behind "trick or treat."

"I guess you'll have to trick, I'm out of treats," apologized Mrs. Melba Holmes to a 9-year-old girl. She prepared for the worst. The little spook thereupon stood on his head on the sidewalk.

"MY FAVORITE WITCH"

DALLAS (AP)—Halloween brought a trick which also was a treat for Mrs. Bill DeSanders. It's also her wedding anniversary, and the gift from her husband was a small broom of gold and diamonds inscribed: "To my favorite witch."

against Pritchett. They are William J. Miller and John Griffin, both clerks in a supermarket.

They related that Aaron was chosen at random, to serve as an example to impress integration leaders in the Birmingham area.

All six white men were charged with mayhem and assault with intent to murder, but the second charge against Pritchett was dropped at the request of the prosecution.

The jury's action was recommended by Dist. Atty. Albert Aston in the case of Mrs. Helen Navitski, now a resident of Bloomfield, N. J., who formerly was employed as a housewife in a home at Northcoke, Pa.

Aston said plans are under way to bring Mrs. Navitski here for prosecution but added she is fighting extradition from New Jersey.

County detectives said Mrs. Navitski, questioned at Bloomfield, admitted hiding the body of her child between some flooring and ceiling, immediately after the infant was born 18 years ago.

Aston said it had been decided that prosecution of Mrs. Navitski on a murder charge was deemed almost impossible under the circumstances.

SAYS SPUTNIK MONTHS AHEAD OF U. S. SCIENCE

BY HERMAN R. ALLEN
CHICAGO, P. A.—A ranking scientific manpower authority said today it will be months before the government can even begin to retool its scientific training programs to cope with "events of the past three weeks."

The three-week period cited by M. H. Trytten covers approximately the time in which Russia tested its Sputnik and claimed to have perfected a hydrogen warhead for guided missiles.

Trytten added in a speech prepared for a scientific and engineering education conference:

Short On Researchers

"We know, too, that in spite of all we can do in the next few years, the shortage of high level researchers will remain and our relative supply in comparison to the Iron Curtain countries will become worse over the immediate future measured in years."

Trytten is director of the Office of Scientific Personnel of the National Academy of Sciences-National Research Council, Washington. The twin agencies are non-governmental but work closely with the government.

"The challenge which has broken upon us," Trytten said, "is so massive... that it will be months before the various new programs and the reorientation of old ones can be analyzed for their manpower requirements."

Hopeful Signs

As to the present supply of scientists and engineers, Trytten said figures are "relative and unsatisfactory." He estimated, however, that there are about 600,000 professionally qualified engineers in the country despite "some recent national enumerations which indicate up to 900,000." He did not identify these enumerations.

Noting that engineering school graduations have begun to rise after a dive in the early '30s and promise to rise further, he said: "This is indeed hopeful but much ground needs to be recovered."

College graduations in chemistry and physics, Trytten said, "have emerged on a dead level plateau beginning in 1951 and continuing through 1956," with 1957 figures not yet compiled.

RESIGNATIONS OF TOLL TAKERS NOT ACCEPTED

MORRISVILLE, Pa. — Five toll collectors yesterday submitted their resignations to the Delaware River Joint Toll Bridge Commission but they were turned down.

William M. Norton of Phillipsburg, N. J., chairman of the commission said the resignations were turned down because an investigation now is in progress into toll collections on the bridges operated by the agency. He added that the commission's refusal to accept the resignations did not mean in any sense that the five were considered guilty of any wrong doing.

9 Were Dismissed

The five submitted their resignations following the dismissal of nine other commission employees last September on charges they pocketed toll moneys. The commission said at that time the practice had resulted in a loss of thousands of dollars.

Norton said the five who tendered their resignations to a meeting of the commission here said they were doing so on the grounds the bridges operated by the commission are expected to be toll-free within the next few years and there then would be no jobs for them.

Norton identified the five as:

KLANSMAN GETS 20-YEAR TERM FOR BAD CRIME

By JACK STILLMAN
BIRMINGHAM, Ala. — The first of six Ku Klux Klansmen has been convicted in the mutilation of a Negro man, and the trial of five others will begin next week.

Joe E. Pritchett, 31-year old construction worker, was convicted of mayhem yesterday by a circuit court jury which deliberated about 40 minutes.

Judge Alia King sentenced the Klansman to 20 years imprisonment—the maximum sentence.

He was convicted as the "boss man" of a Klan detail assigned to test the courage of another Klansman, B. A. Floyd, who was to have been promoted to captain in the Klan last.

\$20,000 Bond

After the jury's verdict was read, Pritchett's attorney filed notice of appeal, and King set bond at \$20,000.

"This is one of the worst things ever to come before my bench," said King. "I have found nothing in the testimony to justify less than the limit."

Pritchett called the grand cyclops of the Klan organization to which he belonged, and five other white men were indicted on charge of kidnaping a 33-year-old Negro handyman, Judge Edward Aaron, last Labor Day.

Aaron said he was taken to a Klan meeting place, where he was beaten and then castrated while he lay unconscious.

Two of the six Klansmen charged with the act testified.

Stanley R. Glymer, Frank R. Kern, John H. Brower, William J. Eretta and Charles Riehl, all of the Easton, Pa.—Phillipsburg, N. J., area.

Halloween Masks Used By 2 Gunmen

LYMAN, S. C. P.—A supermarket manager was robbed of about \$20,000 last night by two Halloween-masked gunmen who bound and slugged him before fleeing in his car.

Robert Littlejohn said he was just closing the Community Cash supermarket when two white men, both wearing robe-like Halloween costumes, accosted him.

"Hello, feilas, you playing trick or treat?" Littlejohn asked.

"This ain't going to be no treat," the manager said both replied as they drew 38 caliber pistols. He said they ordered him to hand over a bag containing the night's receipts.

Wyoming Backs Fraternity Pins

LARAMIE, Wyo. P.—When a University of Wyoming coed lets her best boy friend hang his fraternity pin on her, they had better mean they're really engaged.

County Atty. Lynn Rees discovered a Wyoming law which says only a man's mother, daughter, sister or the girl he's engaged to may wear his fraternity pin.

Rees said so far as he knows the law has never been enforced. "There's not enough room in our jail," he added.

NO TREAT—TAME TRICK

ALBUQUERQUE, N. M. P. — The tame, new generation somehow hasn't quite got the idea behind "trick or treat."

"I guess you'll have to trick, I'm out of treats," apologized Mrs. Melba Holmes to a 9-year-old golem. She prepared for the worst.

The little spook thereupon stood on his head on the sidewalk.

"MY FAVORITE WITCH"

DALLAS, P.—Halloween brought a trick which also was a treat for Mrs. Bill DeSanders. It's also her wedding anniversary, and the gift from her husband was a small broom of gold and diamonds inscribed: "To my favorite witch."

against Pritchett. They are William J. Miller and John Griffin, both clerks in a supermarket.

They related that Aaron was chosen at random, to serve as an example to impress integration leaders in the Birmingham area.

All six white men were charged with mayhem and assault with intent to murder, but the second charge against Pritchett was dropped at the request of the prosecution.

Huge Homecoming Crowd Anticipated For Bullet-Lafayette Game Saturday

A standing-room-only crowd is expected to jam Memorial Field at Gettysburg, College Saturday afternoon when the Bullets meet Lafayette at 2 o'clock in the annual Homecoming attraction.

Henry T. Bream, athletic director, reports a sell-out of reserved seat tickets for the game which pits two of the top small college teams in the East against each other.

Missing from the Homecoming program will be the fraternity float parade which, together with other Homecoming activities, was cancelled due to the epidemic of illnesses at the college.

Knight Ailing

With the exception of "Chet" Knight, sophomore end, the Bullet squad will be in good condition for the game, according to Coach Eugene Haas. Knight has not worked out all week and it is probable he will miss action entirely.

Stan Musser, Arlo Olsen and Dick Davidock are all in top-notch shape and will take care of the wing positions.

Marty Hoffner, tackle, who missed the Muhlenberg game, is ready again and will team up with Al Kempton at those positions. Bob Barkley, another front line tackle, is also ready for full time service.

Don Harman, Carl Schoenborn or Dick Rowan will man the guard posts with Dave Yohn at center.

The backfield is intact and will open with Neil Hickoff or Dick Stravolo at quarterback, Don Hailey and Earl Yost at halfbacks, and all-star Frank Capitani at fullback.

Bainbridge A Threat

Posing a threat to the Bullets is Merle Bainbridge, 180-pound sophomore quarterback, who tossed the Leopards to an easy 35-13 win over Bucknell last week. Bainbridge completed nine of 11 passes, including three touchdown aeriels.

The Leopards sport a 3-1 record, losing only by one point, 13-12, to Temple while registering victories over Muhlenberg 20-13, Buffalo 14-6, and Bucknell.

Gettysburg is 4-1, losing only to unbeaten Lehigh while triumphing over Bucknell, Western Maryland, Albright and Muhlenberg.

Leopards Seek Revenge

The game promises to be one of the hardest fought on the Bullet schedule as both schools aim to improve their Lambert ratings which now has Lafayette as seventh and Gettysburg eighth in the small college Eastern group.

Lafayette leads the series 12-4. Last year the Bullets knocked the Leopards from the unbeaten class with a 12-6 victory and Coach Steve Hofus and his boys are seeking revenge.

FEW BREATHERS SATURDAY ON COLLEGE GRID

By ED WILKS

College football reaches the point of no return this weekend in the big races for conference titles and bowl shots. And only Oklahoma, among the unbeaten, untied giants, and three other clubs among the nation's top 10 figure to be breathing easy come tomorrow evening.

Oklahoma should have a ball making Kansas State No. 46 in its winning streak. It looks like the same sort of afternoon for Ohio State, Army and North Carolina State, rated eight, nine and 10 in the current Associated Press poll.

Ohio State, still shooting for the Rose Bowl and maybe the Big Ten crown as well, meets winless Northwestern. Army, once-beaten as is Ohio State, plays Colgate. And NC State, undefeated but twice tied, and NCAA barred from a bowl bid, meets winless Wake Forest in an Atlantic Coast Conference game.

But for the rest—blood, sweat and maybe tears here and there. Texas A&M, carrying the No. 1 ranking for the first time this season, meets Arkansas, once-beaten but still breathing in the Southwest conference right for the Cotton Bowl. Unbeaten Iowa and Auburn, ranked third and fourth, could have tough times against conference foes, too—the Hawkeyes against improved Michigan and Auburn against Florida.

Unbeaten Notre Dame, rated No. 5, has slipped past Army and Pittsburgh in its last two games and now meets once-beaten Navy. Michigan State, No. 6, still has a hope for the Rose Bowl going into tomorrow's game with Wisconsin. Badgers, And tied but unbeaten Duke, ranked No. 7 with the ACC's Orange Bowl okay apparently in hand, has a toughie in Georgia Tech, a poor 2-2-1, but still in line for a possible bowl berth.

That's what the top 10 face tomorrow. Now here's the picture in the conference races:

SOUTHWEST—While Texas A&M should have the edge over Arkansas, the Porkers are battling to stay in on the title tangle that pays off with a Cotton Bowl berth. Texas, tied with A&M for the conference lead, meets Southern Methodist.

BIG TEN—Iowa can't play in the Rose Bowl two years in a row, but the Hawkeyes could repeat as conference champs by defeating Michigan—and then Minnesota and Ohio State.

SOUTHEASTERN—Auburn and Florida are both barred from bowls by NCAA probation. Auburn currently is tied for the lead with Mississippi, which meets non-league Houston tomorrow night. Auburn and Mississippi do not meet.

BIG EIGHT—If anyone but Oklahoma rules this roast it might be Missouri, if the Tigers can get past Colorado tomorrow. Then all Missouri has to do is knock off the Sooners next week.

PACIFIC COAST—Oregon, Washington State and Stanford lead the way in the battle to the Rose Bowl, and Oregon meets Stanford tomorrow. Washington State plays Oregon State.

ATLANTIC COAST—Duke, tied by NC State, has the nod because of the Wolfpacks' bad boy ranking by the NCAA.

IVY—Dartmouth, lone unbeaten, untied team in the East, meets Yale and the loser likely has had it. Princeton, tied with Dartmouth in the league, plays Brown.

Other major games this weekend:

TONIGHT
Villanova at Miami, (Fla.) Boston U. at George Washington.

TOMORROW
East—West Virginia at Penn State, Columbia at Cornell, Harvard at Penn. Syracuse at Pitt, Delaware at Rutgers.

MIDDLEWEIGHTS GET RESTLESS

By JACK HAND

NEW YORK (P)—While Carmen Basilio waits on Sugar Ray Robinson and the International Boxing Club to decide when he will defend his world middleweight title, the contenders are getting restless.

Spider Webb, Chicago, the No. 6 boy in the Ring ratings, will try to strengthen his claim tonight in a 10-round match with Willie Vaughn of Los Angeles at Madison Square Garden. Webb is the 13 to 5 favorite.

Gene Fullmer, the No. 2 contender, meets Neal Rivers at the Garden, Nov. 15 and Rory Calhoun, No. 3, takes on Bobby Boyd, No. 9, in the same ring Nov. 22. Calhoun recently whipped Rocky Castellani in a dreary bout.

By the time this series of matches has been completed, Robinson may have decided if he wants to defend this winter. Unless an exception is made, he can't fight nontitle matches because the championship must be on the line every time he weighs 160 pounds or less. He never has weighed close to 160.

Dressen Back With Dodgers

Veteran Charley Dressen, left, and manager Walt Alston, of the Los Angeles Dodgers, roll up their sleeves and prepare to go to work as a team Tuesday after Dressen was named a Dodger coach in Los Angeles. He thus returns to the organization which he quit as manager in 1953. (AP Wirephoto)

Gettysburg Junior High waited until its last game of the season to score its first points and its only victory when it edged Chambersburg here Thursday afternoon 7-6 in a hard fought South Penn Junior High League game.

Early in the opening period Harold Miller fired a 25-yard pass to Terry Hise, end, who raced five yards for the Braves' score. What was to prove the winning point was made by Miller who slashed off-tackle for the extra point.

Chambersburg returned the opening kickoff to its 44 and on the second play the Braves recovered a fumble on the visitors' 42 to open the door to the score. Miller ran for a first down on the 30 from where he pitched his TD pass.

Fumble Costly
A fumble also set up Chambersburg's score in the final quarter. The Gladiators recovered the fumble on the Warriors' 15. They picked up a first down on the 5 from where Jack Mull plunged over. The Braves' line smothered a rushing attempt for the point to preserve the victory.

Late in the first period the visitors threatened by driving from their own 41 to the Gettysburg 22 where the Braves braced and took possession.

Gettysburg was in hot water shortly after receiving the second half kickoff via a 15-yard penalty which set the Braves back to the 20. Dale Smith punted out to the 20. A pass moved the ball to the Gettysburg 11 where the Braves recovered a fumble. Coach Ray Ellis' squad worked the ball out to the 25 on a six-yard advance by Maitland and an eight-yard aerial from Ronnie Frew to Hise, but a 15-yard penalty set them back to the 10 from where Smith booted out to his 25 to open the final period. The Braves soon took over on the 21 but fumbled on the 15 and it was from that point Chambersburg moved to score.

The victory gave the locals a 1-3-1 record for the campaign.

Ends — Hise, Eker.

FINES REFUNDED TO 5 YANKEES

NEW YORK (P)—Yogi Berra confirmed today that he and four other New York Yankees who were fined for a brawl in a New York nightclub last May have received a refund from the club.

Berra said he, Hank Bauer, Mickey Mantle, Whitey Ford and Johnny Kucks had been repaid and "everything is fine now." All but Kucks were fined \$1,000. The young pitcher escaped with only a \$500 nick out of his salary.

Billy Martin, whose birthday flared into the brawl, received his \$1,000 refund when traded to the Kansas City Athletics in mid-June.

The club, which never announced the fines, neither confirmed nor denied the refund.

Said Bob Fishel, Yankee publicity director: "We made no announcement of the fines at the time and we are making no announcement now. We feel it is a club matter."

NAVY'S AIR ARM HAS NOTRE DAME ON WEEK'S ALERT

By CHARLES CHAMBERLAIN
SOUTH BEND, Ind. (P)—Navy's air arm, in the person of passer Tom Forrestal, has caused quite an alert at Notre Dame.

The unbeaten Irish, ranked No. 5 nationally off four victories, have been cramming on pass defense all week in preparations for the Middles tomorrow.

In the recent past, aeriels have licked some very good Notre Dame football teams. Dale Samuels and Purdue did it 28-14 in 1950. Fred Benner and Southern Methodist did it 27-20 in 1951. Len Dawson and Purdue did it 27-14 in 1954.

49 Of 95 Completions
This year's Irish, although making a grand comeback from last year's worst season in history, can't rate with the teams of other years. But apparently Navy's Forrestal can rate with any of those passers who hurled the Irish into defeat.

He has completed 49 out of 95 tosses for 667 yards and 6 touchdowns. Last week he fired four touchdown passes in leading Navy to a 35-7 victory over Pennsylvania.

If Forrestal winds up tomorrow, the Irish will try their best to duplicate the feat of North Carolina. The Tarheels intercepted five passes in handing the Middles their only setback in six starts.

Four opponents have hit on 20 of 56 passes for 220 yards against Notre Dame. Five have been intercepted.

Navy's Worries
If Notre Dame's pass defense is too tough, we'll have to go on the ground," said Navy Coach Eddie Erdelatz in revealing a rare bit of strategy.

"One of the fellows I think will give us the most trouble is that Irish fullback (junior Nick Pietro-sante)."

"Also what worries us," continued Erdelatz, who declares Notre Dame should be a 14 point favorite instead of 3, "is their ability to come back against teams like Army and Pitt after trailing. This must be one of those typical South Bend squads again."

The Navy game has been sold out since August with 57,000 capacity assured. It will be the 31st contest in the longest continuous intersectional rivalry in college football. The Irish have won 24 times, lost 5 (including 33-7 last year) and one game was tied.

Eskimos are believed to be descended from the same stock as American Indians. There is a similarity in their languages and culture.

Littlestown Grade Team Beaten 26-0

The Little Flashes, seventh and eighth grade football team of Littlestown, dropped a 26-0 decision to Northern Joint of Dillsburg Thursday at Littlestown.

Two additional games have been added for the Little Flashes. Next Wednesday they will be host to Susquehanna at 7:30 p.m. and on November 12 meet Annunciation at McSherrystown.

GHS JAYVEES LOSE 19-7 AT CHAMBERSBURG

The Gettysburg High School junior varsity football team dropped its fourth game in as many starts when it bowed at Chambersburg Thursday afternoon 19-7.

Gordon Richardson, quarterback, plunged over from the 2-yard line in the fourth period to climax a 65-yard drive for Gettysburg's lone TD. Bob Dean plunged for the point.

Chambersburg scored a touchdown in the first minute of play after a long run to the Warriors' 20 from where a penalty set the locals back to the 5. Two more tallies in the second period, the last on a pass interception and run of about 35 yards, completed the scoring for the Trojans.

Ed Simpson, center, and Mike Small, end, were standouts for Gettysburg, particularly in the second half when the entire squad played much improved ball.

Next Thursday the local Jayvees will conclude their season by meeting Shippensburg here at 3:30 to make up a previously postponed game.

The Lineups:
Gettysburg
Ends — Small, Waddell.
Tackles — Grosholtz, Kershner, Swope.

Guards — Rudisill, Snead.
Center — Simpson.
Backs — Rohrbaugh, Gulden, Fissell, Dean.

Chambersburg
Ends — Frey, Brown.
Tackles — Glass, Osterman.
Guards — Owens, Thomas.
Center — Bowen.

Backs — Bayer, Hull, Schlichter, Meals, Shatzer.

Score by periods:

BILL HARTACK SETS SIGHTS ON NEW MARK

By ORLO ROBERTSON

The Associated Press
Bill Hartack, the energetic jockey who sets at least three records every time he wins a stakes race, today focused his sights on being the first to lead the nation's riders three successive years.

And the 24-year old reinsman from the soft coal fields of western Pennsylvania is well on his way toward achieving his goal after winning the title with 417 winners in 1955 and with 347 last year. This year he has returned to the winner's circle 329 times for a spread of 50 over Willie Shoemaker, who holds the record with 485 victories in 1953.

"For the next four weeks I hope to ride as much as possible," Hartack said. "Then I'm taking my first vacation of the year—December in Miami. That's definite."

Suppose Shoemaker, who like Hartack is a busy rider, runs into a hot streak?

"I hope I can insure my lead over Shoemaker by riding and winning this month at the New Jersey and Maryland tracks," was Hartack's reply.

With 41 victories, Hartack has won more stakes than any other jockey. His winning mounts in stakes also top the money list with earnings of \$1,611,395.75. And he holds the record for money won in stake races, including that gleaned from second, third and fourth places. Now he breaks all three records every time he wins a stake race.

BALDING LEADS AT SAN DIEGO

SAN DIEGO (P)—The San Diego Open Golf Tournament goes into its third round today with Canadian Al Balding holding a two-stroke lead with a 13-under-par score of 131 for 36 holes.

His closest rivals were Fred Hawkins, El Paso, Texas, and Arnold Palmer, Latrobe, Pa., each with 133.

Balding, playing out of Miami Beach, Fla., used his own woods and putter but a set of borrowed irons in touring the 6,800-yard Mission Valley Country Club course yesterday in an eight-under-par 64. His first round was 67. Par is 36-36-72.

Next in order, all with 135s, were Billy Casper, San Diego; Doug Ford, Mahopac, N.Y.; Don Whit, Alameda, Calif.; and Charles Sifford, Philadelphia.

Report Nixon Is Target Of Vindictive Southern Group

ATLANTA (U)—A member of a Georgia organization formed to resettle Negroes in exclusive Northern white neighborhoods says Vice President Richard Nixon may be the group's first target.

But the founder of the group, American Resettlement Foundation, Inc., said any such report was entirely without foundation.

State Welfare Director Alan Kemper, a charter member of the foundation, was asked about the Nixon report yesterday, and replied:

"I would say Nixon is a pretty good candidate."

He declined, however, to be more specific.

State Rep. A. A. Fowler Jr. of Douglasville, founder of the organization, told The Associated Press there was nothing to the report.

"It is absolutely without foundation," Fowler declared.

Kemper said a Negro family, preferably a large one, will be moved into a swank Northern white residential area by Christmas and that Fowler had obtained an option on a house in the \$75,000 class in what he described as one of the outstanding cities in the United States.

Reports had located the house in the Wesley Heights area of northwest Washington where the Nixons live and had named the owner as Mrs. Mary H. Renzow.

A check made by the Washington Post and Times Herald revealed that Mrs. Renzow was out of town.

ON LEGION COMMITTEE

State Senator Douglas H. Elliott, vice president of Wilson College, was notified today of his re-appointment as vice chairman of the Legislative Committee of the American Legion, Department of Pennsylvania. The appointment was made by John W. Collis, department commander. Elliott represents the Adams-Franklin District.

In 1934 General La Fayette and all his descendants — forever after — were made citizens of Maryland.

Hospital Fact

A surgeon and his team wear gloves, only one-hundredth of an inch thick. Aseptic methods, something necessary, but there must be minimum interference with the sense of touch.

Warner Hospital stocks surgeons' gloves in all sizes. To make them

ship on easily they are powdered in the surgical supply room. Autoclaving for 10 minutes makes them sterile. Nicked gloves may be repaired with rubber cement, but the chief surgeon wears gloves with unmedicated fingers. Most gloves are of yellow latex, but there are anti-allergic brown ones. Yes, doctors can have allergies too.

average reading a cool 51.95 degrees. Normal here is 53.9 degrees. Although only three other Octobers in the last 30 years have had below normal average temperatures.

The last October that was as cool here as last month was in 1925 when there were three inches of snow that month and temperatures dropped as much as nine degrees below freezing.

Arendtsville Report

The Arendtsville weather station report compiled by Dr. Frank N. Howeron showed an average temperature there last month of 50.5 degrees, which is 4.3 degrees below normal there. The average daily high reading was 62 degrees and the average low was 39 degrees. The high for the month was 73 on October 2 and the low was 28 on Monday of this week.

Rainfall at Arendtsville came to a total of 4.14 inches which is 0.47 inches above normal. October rains brought the 1957 10-month total there to 29.72 inches which is 6.48 inches short of normal. Arendtsville received 179 hours and 30 minutes of sunshine last month which was 51.9 per cent of the total "available."

PAVE WAY FOR BORDER STUDY

UNITED NATIONS, N.Y. (U)—The U.N. General Assembly debate on the Turkish-Syrian crisis appeared headed for a quick finish today as Syria and opposing Western nations agreed not to press their rival resolutions to a vote.

Secretary General Dag Hammarskjöld was reported ready to make known his willingness to try to resolve the border dispute.

Both Syria and Turkey reportedly agreed last night to let Hammarskjöld use his power under the U.N. charter to ease tensions through quiet diplomacy.

A stalemate created by apparent inability of either resolution to win a necessary two-thirds majority was broken when Norway and Japan worked out a compromise.

The United States was reported to have played a role in reaching the agreement, under which neither of the two pending resolutions would be pressed to a vote.

Prepare For Tonight's Panel Talks

Members of the panel who will take part in the "Faith and Order" discussion conference on "The Nature of the Unity We Seek" this evening at Christ Lutheran Church in a World Community Day observance are shown as they conferred on conference plans Thursday evening. They are (left to right): Luther J. Yoder, Dr. Jacob Heikkinen (seated), panel chairman; the Rev. William E. Tenenstrom, local Methodist pastor; and Mrs. Henry T. Briam. A fourth panel member, the Rev. Robert A. MacSkill, local Presbyterian pastor, was out of town and unable to attend Thursday's conference. (Times Photo)

74-Foot Pilotless Bomber Is Fired; May Soar 5,000 Miles

MISSILE TEST CENTER, CAPE CANAVERAL, Fla. (U)—Rocketmen launched a Snark here yesterday in the "second" firing in as many days.

The Snark, a 74-foot-long pilotless bomber with 42-foot wingspread, travels slower than some jet fighters, but is designed to fly 5,000 miles under guidance and then dive with a nuclear warhead on its target.

Last spring a Snark launched from Cape Canaveral broke out of control and last was seen headed for the jungles of Brazil.

Announcement of yesterday's Snark firing was made by the Defense Department, which said also that on Wednesday night a Jupiter "A" missile was sent aloft and then destroyed because of a malfunction.

Watchers saw the Jupiter climb 30,000 feet, straight up and then veer to the southeast. A booster stage fell into the ocean after the missile disappeared from sight.

Others Not Obsolete
The Jupiter is a ballistic missile with control gear built into the missile. The Snark is a guided missile designed to be controlled from a distance.

Adm. Arleigh Burke, chief of naval operations, said yesterday the intercontinental ballistic missile does not make other weapons obsolete.

"It's a good thing we have many ways of getting to them—the Russians," he said in an interview after returning to Washington from an inspection of the 7th Fleet in the Pacific.

Among the other ways, he listed long range Air Force bombers, "all kinds of missiles, including Navy missiles—and, of course, Navy Air."

In Baltimore last night, the Air Force's Air Research and Development Command said it has duplicated in a new "hot tunnel" the high temperatures, pressures and velocities encountered by missiles re-entering the atmosphere.

The command said the tunnel, called "Hotshot," has generated temperatures in excess of 15,000 degrees Fahrenheit, pressures of more than 20,000 pounds per square inch, and velocities up to 20 times the speed of sound.

The research is being conducted at the Arnold Engineering Development Center near Tullahoma, Tenn.

SPLUNK IN ORBIT
As the United States pressed its missile work, Russia's Sputnik stayed in its orbit, quietly circling the earth at 18,000 m.p.h. The Red sphere was launched Oct. 4.

Sputnik and its carrier rocket are not presently crossing the American continent during the daylight hours when visual observations are possible.

LeRoy W. Bush, Democrat, and Edward F. Hawk, Republican, are the candidates for tax collector.

peris are unwilling to say the rocket rose more than 2,750 miles above Emmetok. Either Far Side transmitter stopped after that, or radio interference prevented clear identification of further signals.

The Air Force had said it hoped the rocket would go 1,000 to 4,000 miles into space. At a recent news conference, an Air Force scientist—Col. Eugene C. Lavier—said there were adequate reasons to believe the rocket exceeded the 4,000 mile mark by a few hundred miles.

An Air Force spokesman said last night only that "we don't know what the exact height reached by the rocket."

First United States military airfield was opened at College Park, Md. on Sept. 6, 1909.

Candidates for auditor are Harry O. Harner, Democrat, and Paul E. Renner, Republican.

Each ward will also select assessors, constables, councilmen and elect on officials.

In the First Ward Robert J. Eckenrode, Democrat, and Robert W. Gouker, Republican, are the candidates for assessor. Gerald W. Daley, a Democrat, is the only candidate for constable.

Candidates For Council

First Ward residents will pick two councilmen from four candidates, Charles E. Lemmon and Fred W. King, Democrats, and Lewis H. Fox and George L. Matland, Republicans. Edgar E. Yealy, Republican, is the only candidate for judge of elections in the First Ward. Holman L. Sell, Democrat, and Edna A. Bashoar, Republican, are the candidates for inspector of elections.

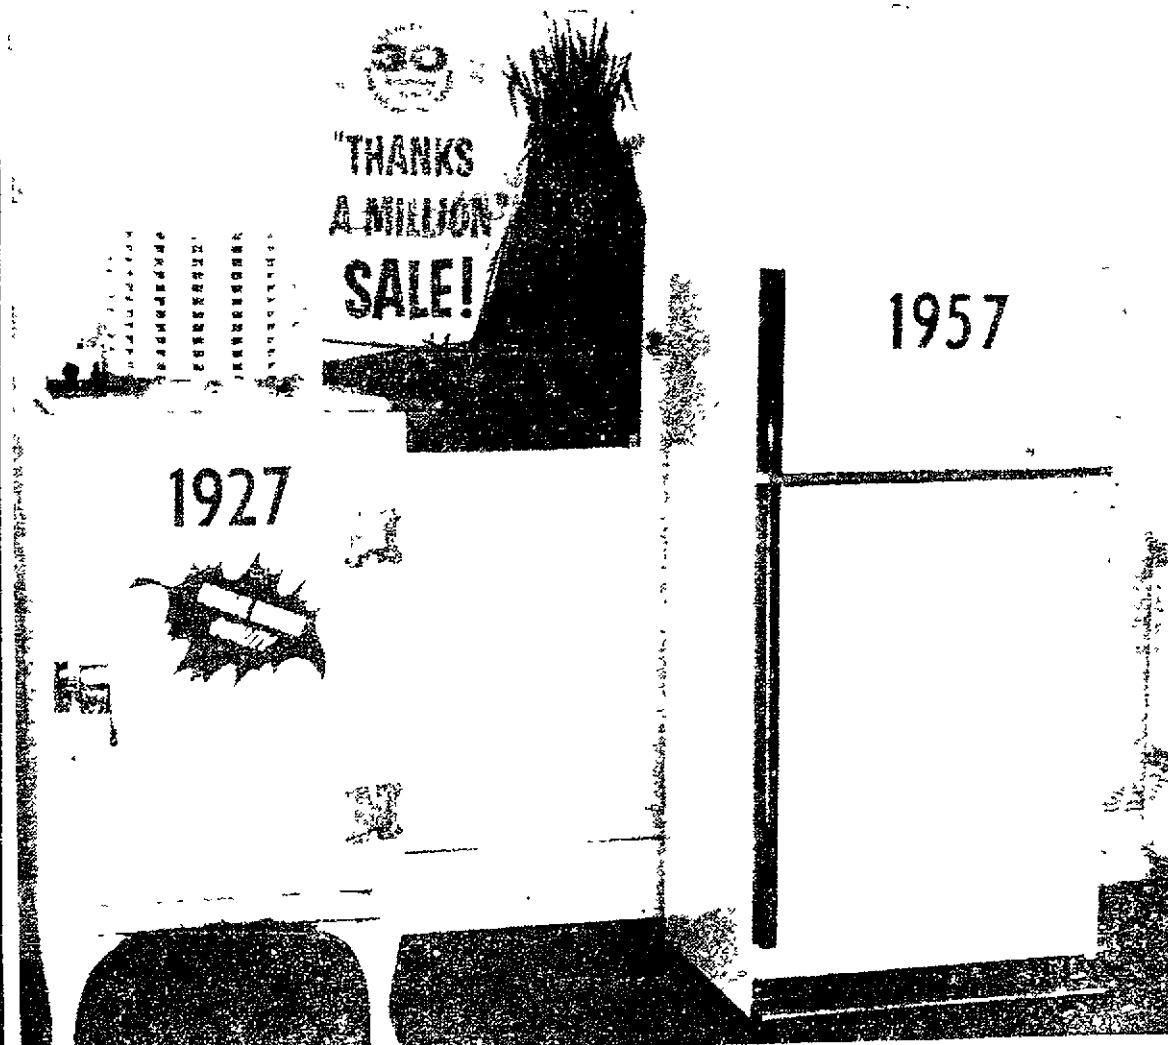

In the Second Ward Clayton W. Mummert holds both the Republican and Democrat nominations for constable. Maurice C. Wareham holds the nominations of both parties for assessor. The Second Ward will select one councilman from between two candidates, Robert J. Stonessier, Democrat, and Frank E. Stonessier, Republican.

In the Second Ward John W. Legore, Democrat, and Mervin E. Creager, Republican, are the candidates for judge of election. The candidates for inspector of elections are Edgar A. Wolfe, Democrat, and Lynn E. Feesser, Republican.

Sunday School Lesson

By H. R. and M. C. Gold

THE SPIRIT OF
CHRISTIAN WORSHIP
1 Corinthians 11: 20-34

Key Verse: Let a man examine himself, and so eat of the bread and drink of the cup. 1 Corinthians 11:28.

The matter of religious rites and how they should be conducted reverently was another problem which had been brought to Paul's attention by the Christians at Corinth. Proper conduct in worship is the theme of this lesson, particularly in regard to the Lord's Supper. Here Paul gives an historical account of the Lord's Supper so that the Corinthians may now easily understand the true spirit in which Jesus' followers should gather and partake of this holy Sacrament.

The administration of the Lord's Supper today is totally different from the way it was done in the early church. To begin with, they had no church buildings, and met in halls, homes, or wherever convenient for the majority of their congregation. Usually they would meet in a large home to observe the "Agape." This was the name for a simple church supper through which the Christians strengthened their spiritual fellowship. Eating and drinking together in those days had a real religious significance. Such "table fellowship" indicated a separation from the secular interests of the world. This was their Communion Service.

Abuses Crept In

At the "Agape" each family would bring their own food and wine. Unfortunately, the situation had become acute and abuses had crept in, destroying the spirit and true purpose of the occasion. Each family group at Corinth started eating supper when they wished, partaking of their own supply and not sharing with the poorer members. The more selfish ones consumed most of the food before the slaves and tradesmen could get away from their daily work. This created an unhealthy situation, so Paul stated very clearly that it was no Christian meal they were eating. "When you meet together, it is not the Lord's Supper that you eat. For in eating, each one goes ahead with his own meal, and one is hungry and another is drunk . . . Or do you despise the church of God and humiliate those who have nothing?"

Usually the observance began with the blessing of the bread and later the members shared the cup; it lasted sometimes from sundown to midnight. Unless worshippers keep alive the spirit of love and consideration for other members, even this Sacrament may lose its freshness. Consequently, Paul cautions: "Whoever, therefore, eats the bread or drinks the cup of the Lord in an unworthy manner will be guilty of profaning the body and blood of the Lord." Paul is speaking of the moral attitude the worshiper must develop—a desire to love, serve, and sympathize with fellow believers regardless of position, race, or intellectual attainment.

Preparatory Service

Our modern practice of having a preparatory service before the Communion Service stems likely from our Key Verse in which each person is asked to examine himself. The "loaf" is the visible symbol of the unity of the communion of the Lord and His church, of believers with one another and with their Savior. Therefore we should approach the Lord's Supper humbly and penitently, seeking forgiveness of our sins.

Either we are better or worse for common worship and it is the same with the Lord's Supper. Much depends upon the worshiper's attitude and receptiveness. We must remember Christ's supreme sacrifice made to cleanse us of our sins; we must feel His Presence and be conscious of the new covenant of forgiving love He came to establish. Then and only then can we truly participate in this solemn rite.

"A VITAL DECISION"

WGCT (1450 kc) Sunday 8:15 a.m.

TIED!

Maybe no one has ever actually bound your wrists with a rope. But haven't you, at times, felt as if you were literally hand tied? You struggle and strain with your problems and anxieties, and you are completely unable to get free.

Such moments come to everyone, and they are not easy to face. It's simple to be serene when things are going well. But when your hands are tied—when you feel helpless, even hopeless—then you begin to realize life cannot be lived alone.

It's then that you know how important Faith is—how it is something you absolutely must have. With Faith to sustain you, you inevitably begin to see your way out. Without it, you flounder.

Turn to the Church—not just because you are troubled, but because it can give you spiritual freedom.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Huge Homecoming Crowd Anticipated For Bullet-Lafayette Game Saturday

A standing-room-only crowd is expected to jam Memorial Field at Gettysburg, College Saturday afternoon when the Bullets meet Lafayette at 2 o'clock in the annual Homecoming attraction.

Henry T. Bream, athletic director, reports a sell-out of reserved seat tickets for the game which pits two of the top small college teams in the East against each other.

Missing from the Homecoming program will be the alternate float parade which together with other Homecoming activities was cancelled due to the epidemic of illnesses at the college.

Knight Ailing
With the exception of "Cher Knight" sophomore end the Bullet squad will be in good condition for the game according to Coach Eugene Haas. Knight has not worked out all week and it is probable he will miss action entirely.

Stan Musser, also Olsen and Dick Dawson are all in top-notch shape and will take care of the wing positions.

Marty Hoffman, tackle, who missed the Muhlenberg game is ready again and will line up with Al Kempton at those positions. Bob Barkley, another front line tackle, is also ready for full time service.

Don Harman, Carl Schoenborn or Dick Rowan will man the guard posts with Dave Yohn at center.

The backfield is intact and will open with Neil Hickoff or Dick Stravolo at quarterback. Don Hader and Earl Yost at halfbacks and all-star Frank Capitan, at fullback.

Bainbridge A Threat
Posing a threat to the Bullets is Merle Bainbridge, 180-pound sophomore quarterback, who tossed the Leopards to an easy 35-13 win over Bucknell last week. Bainbridge completed nine of 11 passes including three touchdown aeriels.

The Leopards sport a 3-1 record losing only by one point 13-12, to Temple while registering victories over Muhlenberg 20-13, Buffalo 14-6 and Bucknell.

Gettysburg is 4-1 losing only to unbeaten Lehigh while triumphing over Bucknell, Western Maryland, Albright and Muhlenberg.

Leopards Seek Revenge
The game promises to be one of the hardest fought on the Bullet schedule as both schools aim to improve their Lambert ratings which now has Lafayette as seventh and Gettysburg eighth in the small college Eastern group.

Lafayette leads the series 12-4. Last year the Bullets knocked the Leopards from the unbeaten class of the Dodgders (6) and Shortstop Chas. Neale of the Dodgders (1), revenge.

FEW BREATHERS SATURDAY ON COLLEGE GRID

By ED WILKS
College football reaches the point of no return this weekend in the big races for conference titles and bowl shots. And only Oklahoma among the undefeated undefeated and three other clubs among the nation's top 10 figure to be breathing easy come tomorrow evening.

Okahoma should have a bit making Kansas State No. 4 in its winning streak. It looks like the same sort of afternoon for Ohio State, Army and North Carolina State rated eighth, ninth and 10 in the current Associated Press poll.

Ohio State still shooting for the Rose Bowl and maybe the Big Ten crown as well meets winless Northwestern Army once-beaten as is Ohio State, plays Colgate. And NC State, undefeated but twice red and NCAA barred from a bowl bid, meets winless Wake Forest in an Atlantic Coast Conference game.

But for the rest—blood, sweat and maybe tears here and there. Texas A&M, carrying the No. 1 ranking for the first time this season, meets Arkansas once-beaten but still breathing in the Southwestern conference fight for the Cotton Bowl. Unbeaten Iowa and Auburn ranked third and fourth could have tough times against conference foes, too—the Hawkeyes against improved Michigan and Auburn against Florida.

Unbeaten Notre Dame, rated No. 5, has slipped past Alvin and Pittsburgh in its last two games and now meets once-beaten Navy. Michigan State, No. 6, still has a hope for the Rose Bowl going into tomorrow's game with Wisconsin's Badgers. And tied but unbeaten Duke ranked No. 7 with the ACC's Orange Bowl okay apparently in hand, has a toughie in Georgia Tech a poor 2-2-1, but still in line for a possible bowl berth.

That's what the top 10 face tomorrow. Now here's the picture in the conference races.

SOUTHWEST—While Texas A&M should have the edge over Arkansas, the Porkers are battling to stay in on the title range. Tomorrow's game with A&M for the conference lead meets Southern Methodist.

BIG TEN—Iowa can't play in the Rose Bowl two years in a row but the Hawkeyes could appear as conference champs by defeating Michigan and then Minnesota and Ohio State.

SOUTHEASTERN—Auburn and Florida are both battling from below by NCAA probation. Auburn currently is tied for the lead with Mississippi which meets non-league Houston tomorrow night. Auburn and Mississippi do not meet.

BIG EIGHT—If anyone but Oklahoma rules, this race is mine. Missouri if the Tigers can get past Colorado tomorrow. Then all Missouri has to do is knock out the Sooners next week.

PACIFIC COAST—Oregon Washington State and Stanford lead the way in the battle to the Rose Bowl and Oregon meets Stanford tomorrow. Washington State plays Oregon State.

ATLANTIC COAST—Duke tied by NC State has the nod because of the Wolfpacks' bad boy ranking by the NCAA.

IVY—Dartmouth lone unbeaten team in the East meets Yale and the loser likely has bid to Princeton. tied with Dartmouth in the league, plays Brown.

Other major games this weekend.

TONIGHT
Villanova at Miami (Fla.) Boston U. at George Washington.

TOMORROW
East-West Virginia at Penn State Columbia at Cornell Harvard at Penn State at Pitt Delaware at Rutgers.

MIDDLEWEIGHTS GET RESTLESS

By JACK HAND
NEW YORK P.—While Carmen Basilio works on Sugar Ray Robinson and the International Boxing Club to decide when he will defend his world middleweight title the contenders are getting restless.

Spider Webb Chicago the No. 6 boxer in the Ring ratings, will try to strengthen his claim tonight in a 10-round match with Willie Vaughn of Los Angeles. A Madison Square Garden Webb is the 13 to 5 favorite.

Gene Fullmer, the No. 2 contender meets Neal Rivers at the Garden Nov. 13 and Roy C. Johnson No. 3 takes on Bobby Boyd No. 9 in the same ring Nov. 22. Calhoun recently whipped Rocky Castellani in a dramatic bout.

By the time this series of matches has been completed Robinson may have decided if he wants to defend this winter. Unless an exception is made, he can't fight non-title matches because the championship must be on the line every time he weighs 160 pounds or less. He never has weighed close to 160.

Dressen Back With Dodgers

Veteran Charley Dressen, left, and manager Walt Alston, of the Los Angeles Dodgers, roll up their sleeves and prepare to go to work as a team Tuesday after Dressen was named a Dodger coach in Los Angeles. He thus returns to the organization which he quit as manager in 1953. (AP Wirephoto)

Gettysburg Junior High waited until its last game of the season to score its first points and its only victory when it edged Chambersburg nine Thursday afternoon 7-6 in a hard fought South Penn Junior High League game.

Early in the opening period Harold Miller fired a 25-yard pass to Terry Hise end, who raced five yards for the Braves score. What was to prove the winning point was made by Miller who slashed off-tackle for the extra point.

Chambersburg returned the opening kickoff to its 44 and on the second play the Braves recovered a fumble on the visitors 42 to open the door to the score. Miller ran for a first down on the 30 from where he pitched his TD pass.

Fumble Costs
A fumble also set up Chambersburg's score in the final quarter. The Gadiators recovered the fumble on the Warriors 15. They picked up a first down on the 5 from where Jack Mull plunged over. The Braves' smothered a rushing attempt for the point to preserve the victory.

Let's in the first period the visitors threatened by driving from their own 41 to the Gettysburg 22 where the Braves braced and took possession.

Gettysburg was in hot water soon after receiving the second half kickoff via a 10-yard penalty which set the Braves back to their 6. Dale Smith punned out to the 20. A pass moved the ball to the Gettysburg 21 where the Braves recovered a fumble. Coach Ray Ellis' squad worked the ball out to the 25 on a six-yard advance by Mattland and an eight-yard aerial from Ronnie Frew to Hise but a 15-yard penalty set them back to the 10 from where Smith booted out of his 25 to open the final period. The Braves soon took over on the 21 but fumbled on the 15 and was front and center Chambersburg moved to score.

The Braves gave the locals a 1-3-1 record for the campaign.

NAVY'S AIR ARM HAS NOTRE DAME ON WEEK'S ALERT

By CHARLES CHAMBERLAIN
SOUTH BEND, Ind. (AP)—Navy's air arm, in the person of passer Tom Forrestal, has caused quite an alert at Notre Dame.

The unbeaten Irish, ranked No. 5 nationally off four victories, have been cramming on pass defense all week in preparations for the Middles tomorrow.

In the recent past, aeriels have hiked some very good Notre Dame football teams. Dale Samuels and Purdue did it 28-14 in 1950. Fred Benner and Southern Methodist did it 27-20 in 1951. Len Dawson and Purdue did it 27-14 in 1954.

49 Of 95 Completions
This year's Irish, although making a grand comeback from last year's worst season in history, can't rate with the teams of other years. But apparently Navy's Forrestal can rate with any of those passers who hurled the Irish into defeat.

He has completed 49 out of 95 tosses for 687 yards and 6 touchdowns. Last week he fired four touchdown passes in leading Navy to a 35-7 victory over Pennsylvania.

If Forrestal winds up tomorrow the Irish will try their best to duplicate the feat of North Carolina. The Tarheels intercepted five passes in handing the Middles their only setback in six starts. Four opponents have hit on 20 of 56 passes for 220 yards against Notre Dame. Five have been intercepted.

Navy's Worries
If Notre Dame's pass defense is too tough, we'll have to go on the ground," said Navy Coach Eddie Erdelatz in revealing a rare bit of strategy.

"One of the fellows I think will give us the most trouble is that Irish fullback (junior Nick Pietrosante)."

"Also what worries us," continued Erdelatz, who declares Notre Dame should be a 14 point favorite instead of 3, "is their ability to come back against teams like Army and Pitt after trailing. This must be one of those typical South Bend squads again."

The Navy game has been sold out since August with 57,000 capacity assured. It will be the 31st contest in the longest continuous intersectional rivalry in college football. The Irish have won 24 times, lost 5 (including 33-7 last year) and one game was tied.

Eskimos are believed to be descended from the same stock as American Indians. There is a similarity in their languages and culture.

GHS JAYVEES LOSE 19-7 AT CHAMBERSBURG

The Gettysburg High School junior varsity football team dropped its fourth game in as many starts when it bowed at Chambersburg Thursday afternoon 19-7.

Gordon Richardson, quarterback, plunged over from the 2-yard line in the fourth period to climax a 65-yard drive for Gettysburg's lone TD. Bob Dean plunged for the point.

Chambersburg scored a touchdown in the first minute of play after a long run to the Warriors' 20 from where a penalty set the locals back to the 5. Two more tallies in the second period, the last on a pass interception and run of about 35 yards, completed the scoring for the Trojans.

Ed Simpson, center, and Mike Small, end, were standouts for Gettysburg, particularly in the second half when the entire squad played much improved ball.

BILL HARTACK SETS SIGHTS ON NEW MARK

By ORLO ROBERTSON
The Associated Press
Bill Hartack, the energetic jockey who sets at least three records every time he wins a stakes race, today focused his sights on being the first to lead the nation's riders three successive years.

And the 24-year old reinsman from the soft coal fields of western Pennsylvania is well on his way toward achieving his goal after winning the title with 417 winners in 1955 and with 347 last year. This year he has returned to the winner's circle 329 times for a spread of 50 over Willie Shoemaker, who holds the record with 485 victories in 1953.

"For the next four weeks I hope to ride as much as possible," Hartack said. "Then I'm taking my first vacation of the year—December in Miami. That's definite."

Suppose Shoemaker, who like Hartack is a busy rider, runs into a hot streak?
"I hope I can insure my lead over Shoemaker by riding and winning this month at the New Jersey and Maryland tracks," was Hartack's reply.

With 41 victories, Hartack has won more stakes than any other jockey. His winning mounts in stakes also top the money list with earnings of \$1,611,395.75. And he holds the record for money won in stake races, including that gleaned from second, third and fourth places. Now he breaks all three records every time he wins a stake race.

BALDING LEADS AT SAN DIEGO

SAN DIEGO (AP)—The San Diego Open Golf Tournament goes into its third round today with Canadian Al Balding holding a two-stroke lead with a 13-under-par score of 131 for 36 holes.

His closest rivals were Fred Hawkins, El Paso, Texas, and Arnold Palmer, Latrobe, Pa., each with 133.

Balding, playing out of Miami Beach, Fla., used his own woods and putter but a set of borrowed clubs in touring the 6,800-yard Mission Valley Country Club course yesterday in an eight-under-par 64. His first round was 67. Par is 36-36-72.

Next in order, all with 135, were Billy Casper, San Diego; Doug Ford, Mahopac, N.Y.; Don Whit, Alameda, Calif.; and Charles Sifford, Philadelphia.

SAY GOV. KNIGHT MAY SEEK SEAT IN U. S. SENATE

SACRAMENTO, Calif. (AP) — Renewed reports that Gov. Goodwin Knight might bid for a U. S. Senate seat instead of seeking reelection next year created fresh turmoil in California's hectic political campaign today.

San Francisco and Los Angeles newspapers, quoting both Washington sources and "friends of the governor," said the ailing Republican chief executive sent that word from his out-of-state vacation hideaway.

Such a decision would, in effect, hand the Republican nomination for governor to Sen. William F. Knowland and spare the GOP a bitter intraparty battle in next June's primary.

Democrat Unopposed
Atty. Gen. Edmund G. Brown is unopposed on the Democratic ticket.

There was no direct confirmation from the 60-year old governor. He left for a three-week rest Monday on doctor's orders after saying he still intended to seek reelection. Knight said then he had rejected overtures to run for the Senate.

His press secretary, Tom Bright phoned the latest reports to Knight's secret retreat and quoted the governor as saying he had no comment. The absence of a firm denial was quickly noted here.

Cynical Deal
Brown accepted the reports at face value, denounced Knight's asserted shift as "a cynical deal engineered by a grasping reactionary with eyes fixed on the White House."

"The governor was forced to change his mind," Brown continued. "He became the victim of a plot engineered by Knowland that dried up the sources of his campaign funds and enticed away many of his big name supporters. Knight was confronted with polls which showed him losing to Knowland. He was then served with an ultimatum to either get out of the governor's race and campaign for the Senate or face certain political death. Lonely and abandoned, he bowed to his masters."

In The Background
It takes an estimated half million dollars, at least, to stage a major campaign in a state this size.

In the background of all the maneuvering is a battle for party power, with control of California's delegation to the 1960 Republican National Convention the real prize. The state's vote, the second largest, could prove important to the presidential nomination chances of Knowland and Vice President Nixon. In 1956, California had 70 votes in the Republican National Convention; New York 96.

Paris has more night clubs than any city in the world. New York is second.

The State Justice Department ruled that such an investment was for the state public school employees.

1. That the choice for converting the bonds into stock lies exclusively with the board.
2. That the board would not exercise its option to convert the bonds into stock.

URGES \$3 TON DECREASE IN PRICE OF STEEL

WASHINGTON (AP)—Sen. Kefauver (D-Tenn.) today urged the steel industry to roll back its prices at least \$3 a ton as an act of "industrial statesmanship."

He released a statement contending the nation's economy is sagging and "sorely needs the invigorating stimulus which a price reduction in its basic materials industry would provide."

Kefauver heads a Senate Anti-trust and Monopoly subcommittee which has been checking into an average \$6 a ton steel price boost last July.

Heads of U. S. Steel Corp. and Bethlehem Steel have testified the price increases met only partially cost increases which included a wage boost last July 1 under a contract with the United Steelworkers of America.

But Kefauver contended in his statement that testimony before the subcommittee has indicated the "age boost added not more than \$3 a ton to the companies' costs."

Record High Earnings

His statement noted that U. S. Steel Corp. has just reported record high July-September earnings of \$97,555,683 although he said its production in the same three months had dropped from 89.5 per cent of rated capacity to 81.8 per cent. He said the company's earnings in the first nine months of this year also were at a record peak. All this, Kefauver said, makes

WARNS AGAINST HIGHER TUITIONS

PHILADELPHIA (AP)—Gov. Leader said yesterday America needs all the trained minds colleges can produce and warned against driving out students through higher tuition rates.

"We must make it possible for every young man and woman—regardless of his parents' bank account—to develop his fullest potential," Leader said at a Democratic rally here.

He said the country accepts government's responsibility to provide free education at primary and secondary levels.

"What is inconsistent about extending this principle to include some of the cost of higher learning?" he asked.

PAYING BACK THE LOOT

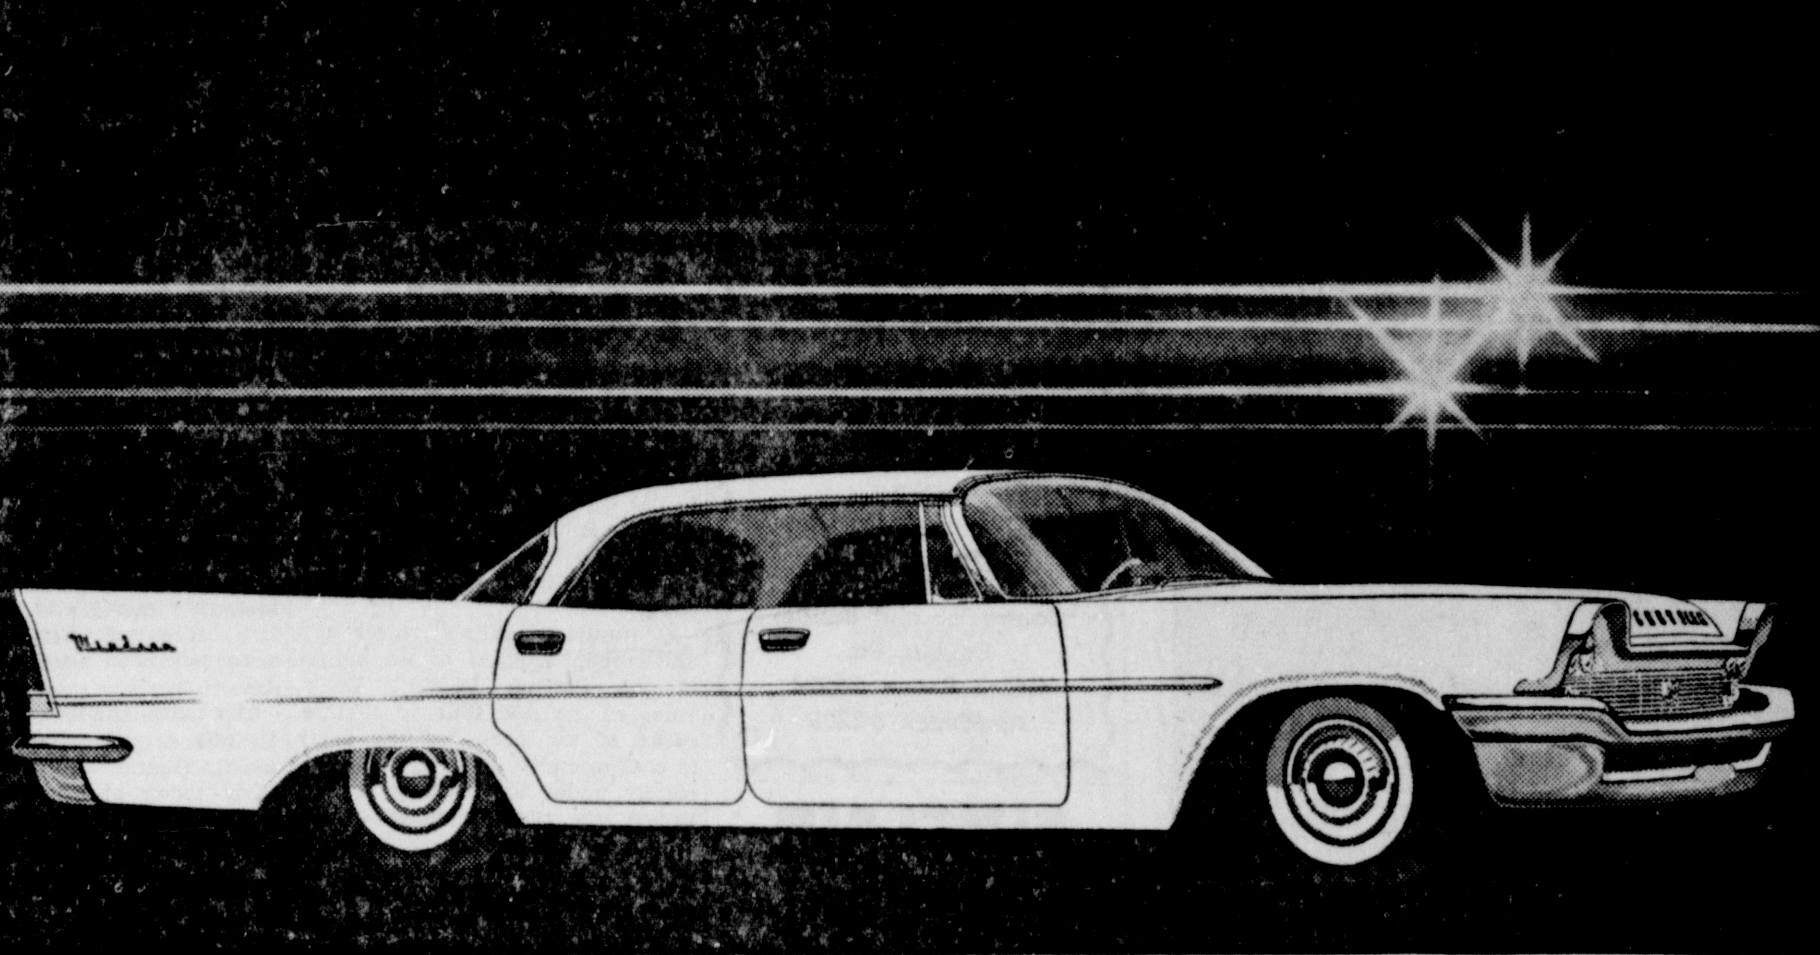

WAUKESHA, Wis. (AP)—Two boys admitted to police that they stole \$3.50 from the poor box of St. Joseph's Catholic Church.

But they already had spent the money—at the annual St. Joseph's church festival.

it appear "unlikely that such an excellent profit showing could have been made unless the price increase of last July had in fact been substantially in excess of the wage increase."

"At the time when production in many industries is falling off and defense establishments throughout the country are being closed as a result of the administration's latest economic drive," the senator said, "a price decline in steel would enable steel consuming industries to lower their prices, sell more goods and thus help to maintain purchasing power and employment."

5 HOSPITALS TO INCREASE THEIR RATES

HARRISBURG (AP)—Only five of the state's 10 general hospitals have agreed to increase their rates under a request made nearly two months ago by Welfare Secretary Harry Shapiro.

They are the state hospitals at Phillipsburg, Conneville, Shamokin, Hazleton and Blossburg. But Shapiro told a newsman Thursday he expected action shortly from boards of trustees at Scranton, Ashland, Coaldale, Nanticoke and the Locust Mountain State Hospital at Shenandoah.

"Some have been slow complying with my recommendations but I expect full cooperation within the next few weeks," he said.

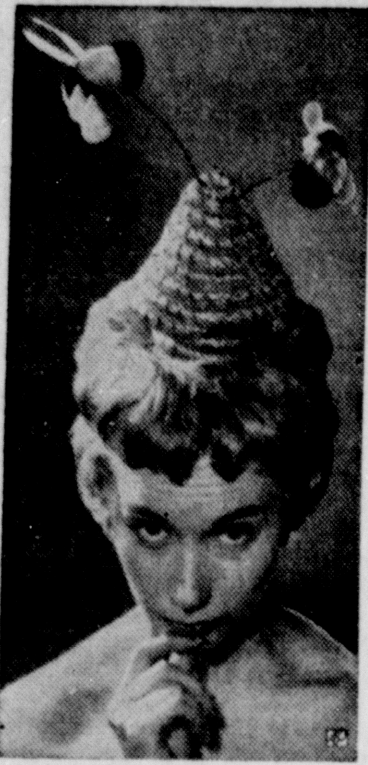

The increase was asked by Shapiro so that the individual hospitals can collect more from patients who carry Blue Cross insurance.

The ward rates had ranged from \$7 to \$9 a day, and semi-private rooms from \$10 to \$12 a day. Shapiro was known to have issued the rate boost request to bring these charges in line with those of private hospitals.

Boost Ward Rates
In a letter to the board of trustees on Sept. 6, Shapiro recommended that ward rates be boosted to \$12 per day per patient "with the understanding that this maximum rate shall not become the minimum."

If patients were unable to pay the full ward rate, Shapiro said, they should be charged whatever fraction of that figure they can afford.

The 1957 Legislature, in appropriating funds for the state hospitals, wrote a provision that the hospitals can retain for themselves what revenue they take in.

HONEY TOP—Two bees atop a beehive comprises the coiffure worn by model Helen Curtis at London hair fashion show. Show theme was "the birds and the bees."

The Scranton Hospital board of trustees balked at the \$12 rate and told Shapiro that it was too high. But he disclosed that the group has withdrawn its opposition and now plans to charge \$11 a day for ward patients, \$12.50 for semi-private and \$13.50 for private rooms.

Shamokin also announced its rates for ward patients would go up Nov. 1 to \$10 a day and for semi-private to \$12.50.

Other higher rates approved are Phillipsburg \$10 ward, \$12 semi-private and \$14 private; Conneville \$12 ward, \$14 semi-private and \$18 private; Hazleton \$10 ward, \$14 semi-private and \$15.50-\$16.50 private, and Blossburg \$10 ward, \$12 semi-private and \$14 private.

NEW PLYMOUTH AUTOMOBILES ARE ON DISPLAY

Substantial styling advances in keeping with the trend-setting characteristics of the immensely popular current model Plymouth cars plus a broad new lineup of six engine options and other important new engineering features will be seen in the Plymouth for 1958 now on display.

"The new Plymouth is improved in appearance, performance, comfort and safety, yet retains many of the outstanding styling, handling and riding features that were so enthusiastically accepted by American car-buyers this year," John P. Mansfield, Plymouth president, said today.

"While the 1957 model year has been one of the finest in our history, we intend to move even farther ahead with the introduction of finer, more advanced line of new Plymouth cars in November."

Silver Dart Styling
Styling features of the new Plymouth include a bright new "Silver Dart" side moulding treatment, sweeping upward at the rear on Belvedere and Sport Suburban models to the tip of Plymouth's familiar high-flung directional stabilizer fins, with optional dual inserts of silvery anodized aluminum or compatible colors. Another distinctive new side trim is available also with Savoy and Plaza models.

Double header dual headlights are standard equipment on all new Plymouths, with the inner beams producing maximum long-range forward visibility and the outer pair providing supplemental fill-in light when used in combination, or efficient low-beam lighting when used alone. With filaments centered in all lamps, the new dual headlights produce the safest, most scientifically effective night lighting ever attained for automobiles.

New Turn Signals
New turn signals and parking lights are nestled in a triangular area above and between the headlights. Tail lights also are new, with circular reflectors lower in the fender and a silver-colored reflective wedge extending upward to the tip of the fin. The back-up light is centered beneath the rear bumper.

The lower front grille of the Plymouth for 1958 has been redesigned with a horizontal bar effect identical to the upper grille section.

New Plymouth colors for 1958 are generally softer and more elegant, with 15 solid color options and 44 two-tone combinations. Luxurious new textured fabrics are offered in all lines.

Plymouth's new engine lineup offers six power options, including the new 350-cubic-inch Golden Commando V-8 at extra cost, with a 10 to 1 compression ratio and a horsepower rating of 305. New fuel injection is available with this engine as a limited option.

Push Program To Grade Xmas Trees

HARRISBURG (AP)—A new voluntary program for grading Christmas trees took effect in Pennsylvania today with the State Agriculture Department anticipating only limited participation.

The department said it was probably too late in the year to make a complete success of the program which calls for marking trees as U. S. premium, U. S. 1 and U. S. 2. But it had great expectations for future years, saying:

"The plan is expected to aid producers, wholesalers, and the one tree buyer of Christmas trees and should eliminate poor trees from wholesale and retail marketing through the establishment of specifications."

URGES BETTER M. D. SERVICE FOR OLDER PEOPLE

CLEVELAND (AP)—A medical school dean said today that "a serious scandal" may soon develop if medical schools don't do more to meet the increasing health problems of older people.

This was the view of Dr. Rhauncey D. Leake, assistant medical school dean at Ohio State University, at the 10th annual meeting of the Gerontological Society. Gerontology is the scientific study of old age.

"Medical schools," he said, "have the prime responsibility in preparing their graduates for a tremendous jump in geriatric practice."

"Unless this responsibility is promptly met, there may come a serious scandal in medical affairs which could adversely affect the traditionally high esteem in which people hold the medical profession."

Leake said this challenge to meet the problem results from the success of modern medicine in lengthening life.

Old people, he said, "do not know how to take care of themselves and no one else is prepared to do so, either."

The training in medical schools for treating older people, Leake said, could become a major part of the effort of men who plan to go into general medical practice.

UNICEF Collection Brings In \$94.33

The United Nations Children's Fund, to benefit all the children of the world, will receive a total of \$94.33, which was given to the pupils of the Fifth and Sixth grades when they rang doorbells in Littlestown on Wednesday evening in the interest of UNICEF. School authorities are very gratified with the reception of the youngsters by the citizens of town and wish to publicly thank the children themselves, their parents who permitted them to work as solicitors, and the people for their generosity.

It is interesting to note that, as a result of the Halloween trick or treat for UNICEF, almost 10,000 children can be successfully treated for tuberculosis or a total of nearly 50,000 glasses of milk can be made available to some of the 6,000,000 children of the world who need help. A few of the children who were unable to solicit on Wednesday covered their territories last evening, so that the total will reach close to \$100.

TO SELL SANDWICHES

The program committee of the Junior Woman's Club of Littlestown will conduct a chicken salad sandwich sale in the community on Saturday morning, November 9. The committee includes Mrs. Thomas B. MISS MARTIN

Mr. and Mrs. Clemence Martin, 102 Cemetery St., Littlestown, announce the engagement of their daughter, Armida, to William Hyser, the son of Mr. and Mrs. Charles Hyser, Biglerville. No date has been set for the wedding.

XMAS BANQUET BEING PLANNED

Committees were appointed to make arrangements for the annual Christmas banquet and party of the King's Daughters Class of Christ United Church of Christ at the monthly meeting of the class held on Wednesday evening at the church. The Christmas affair will be for class members and their families. Committees named follow: Time and place, Mrs. Harry C. Wildasin, Mrs. Paul J. Mummert and Mrs. Erwin A. Rebert; program, Mrs. Clyde L. Sterner, Mrs. Wilmer P. Kessler and Mrs. Kenneth W. Olinger; gifts, Mrs. Gerald W. Sterner, Mrs. David E. Greason and Mrs. Charles A. Grove.

The program for the October meeting was in charge of Mrs. Erwin A. Rebert, when the opening devotions included two hymns by the group, accompanied by Mrs. Rebert; responsive reading and prayer, Mrs. Rebert. Readings were as follows: "Dulcious Progress," Mrs. Stanley R. Sell; "Misplaced Goblins," Mrs. Clyde L. Sterner; "Mirror, Mirror On The Wall," Mrs. Irvin C. Markle; "Wrong Weight," Mrs. Gerald W. Sterner. Group contests were enjoyed, and the guest package, given by Mrs. Harry Wildasin was won by Mrs. Irvin Markle.

Mrs. G. Howard Koons, president, conducted the business session, at which time a nominating committee was appointed to include: Mrs. Delphia J. Sterner, Mrs. Helen E. Warner and Mrs. John N. Sell. It was decided to hold the next meeting one week early due to the special Thanksgiving service in the community; Mrs. Wilmer P. Kessler will be in charge of the program for the November 20 meeting, at the church. The hostesses will be Mrs. Harry C. Wildasin, Mrs. Myrtle Louise Yohe, Mrs. Richard E. Barnes, and Mrs. Russell V. Brown. The meeting closed with the Lord's Prayer repeated in unison, and refreshments were served by Mrs. Gerald Sterner, Mrs. Delphia Sterner, Mrs. Ralph I. Unger, Mrs. Edward L. Warner and Mrs. Helen Warner.

HIGH COURT TO FIX LEGALITY OF 2 LARGE TRUSTS

ATLANTIC CITY, N.J. (AP)—The State Superior Court is going to interpret the legality of two trusts set up by the \$300,000 will of the late Mrs. Laura E. W. Tyler, both of which provide aid for needy white mothers and children.

Superior Court Judge Vincent S. Haneman set Dec. 17 for trial yesterday after he was asked to interpret the will by her administrators in view of recent litigation over admission of negro students at Girard College in Philadelphia.

A resident of nearby Ventnor Mrs. Tyler died July 13, 1956. She was 81.

Funds For Whites

Her will set up one trust to provide food and clothing for needy, white, American born wives and children of prisoners at Pennsylvania's Eastern State Penitentiary. A second trust is to give free hospitalization at Hahnemann Hospital in Philadelphia for needy, white American born children under 14 with an I.Q. of 75 or over.

The trusts are administered by the Philadelphia Board of City Trusts.

The Girard trust is also administered by the Philadelphia Board of City Trusts.

Mrs. Tyler was the daughter of Henry L. Wilkinson, assistant warden at the penitentiary for 42 years.

Another trust of her will that left \$6,500 for care of her cat "Ginger" was not affected.

Mrs. Tyler's administrators are Allen M. Mills of Haddonfield and Joseph M. Hamilton of Philadelphia.

ASK IMPROVED AIR SERVICE

ALBANY, N. Y. (AP)—The Rome Chamber of Commerce says Rome needs improved air service to Cleveland, Pittsburgh and Providence to aid industrial development.

Albert R. Neill, executive secretary of the chamber, testified at a Civil Aeronautics Board hearing yesterday that Rome was a "thriving, healthy, rapidly growing community." He added, "continued success is greatly dependent upon the improving of our transportation facilities, particularly by air."

Another witness at the continuing hearing, which was scheduled to complete its Albany phase today, said communities seeking air service would like to have "a flight to everywhere all the time."

Nevertheless, the witness, James C. Buckley of New York City, argued that his client, the Allentown-Bethlehem-Easton Airport in Pennsylvania, ought to have the additional airline service it sought.

Buckley, a transportation consultant, appeared on behalf of the Lehigh-Northampton Airport Authority, which operates the airport, at the hearing. The hearing is an investigation of the need for additional local air service in the northeastern states.

The hearing will resume in Washington Nov. 12.

Lincoln Highway Re-Location Near

HARRISBURG (AP)—Relocation of a 27-mile section of U.S. 30 between Lancaster and York was in prospect today with an order by Gov. Leader for a survey of the project.

The governor said the State Highways Department has employed the Buchart Engineering Co., York, to make the 11-month study that would include the possibility of an east-west bypass of York.

The study involves the Lincoln Highway between a point just west of Lancaster and Thomasville, seven miles west of York.

MOTHER'S A GOOD TEACHER

PUEBLO, Colo. (AP)—Ten-year-old Gaylord Nordstrom taught his mother, Mrs. Bernice Nordstrom, a thing or two about cooking during the Colorado state fair.

Gaylord won blue ribbons on both his white and chocolate cakes and a second place ribbon with a nut loaf cake. Mrs. Nordstrom won third place in the nut loaf cake division.

POOR CHINNING BARS

FREDERICKSBURG, Va. (AP)—This city has discovered that its new aluminum street markers are poor chinning bars. Boys have been asked to shift their muscle-developing activities elsewhere to save strain on both the markers and taxpayers after a dozen markers had been snapped off.

Report Only 9,000 Of State's 16,000 Mentally Handicapped Children Receiving Treatment

By LEONARD A. UNGER

HARRISBURG (AP)—The State Welfare Department estimated today 16,000 children in Pennsylvania are so handicapped mentally that they need institutional care but that only 9,000 get it.

These aren't the "slow" kids that get by in special classes in public schools. These are children whose thinking processes are so undeveloped or injured that they have extreme difficulty learning—even to walk, eat or go to the toilet.

Parents now care for about 7,000 not institutionalized. They have been waiting for months—and possibly years—to have their children admitted for treatment and care.

A report written by Dr. Edward J. Humphreys, director of the Bureau of Mental Health Services For Children, asked the rhetorical question of what can be done. He said there was "no simple remedy."

Need Institutions
The children's mental expert listed such possible answers as further new construction of state institutions, more intensive medical services, an expanded staff and broader preventive services.

Giant strides are being taken in these directions, he said, but the report emphasized:

"Until our state has formulated a total program for children, be they retarded, emotionally ill or delinquent, and until departments of health, public instruction, and vocational rehabilitation are functionally integrated into a program of amelioration and improvement that starts at the community level and ends with final community adjustment, with each department making its specialized contribution, we will not be finished."

2,974 Ask Help
Welfare Secretary, Harry Shapiro said he had 2,974 applications in hand in behalf of children who need residential care in state institutions immediately.

New applications are piling up at the rate of about 70 a month. Dr. Humphreys' report underscored the immensity of the problem in hand by citing that 70 per cent of the children already institutionalized have an IQ of less than 50 per cent.

Forty per cent of the 9,000 boys and girls in state institutions—and they range from teen-agers down to pre-school age—are not toilet trained, he said.

Intensive work in this field in the past two years, said the report, have begun the lessen the impact of the problem.

New Treatment
For example, his report said, 60 young bed patients at Selinsgrove State School were given a new intensive therapy that resulted in one-third of them learning to walk for the first time in their lives.

At Pennhurst, 10 boys and 10 girls underwent an experiment in toilet training that involved what the report described as "great advances in muscular and self-control." It said Pennhurst's 1,242 patients not toilet trained may benefit from the experiment.

Dr. Humphreys reported that 70 staff members have been added at Laurelton in the past two years. The number of girls "on furlough"—sent home after their conditions improved—increased from 180 in 1954 to 218 in 1955, 407 in 1956 to 460 in 1957, the report said.

"This greater turnover means that more girls have been able to profit per tax dollar spent for staff

The United Nations Children's Fund, to benefit all the children of the world, will receive a total of \$94.33, which was given to the pupils of the Fifth and Sixth grades when they rang doorbells in Littlestown on Wednesday evening in the interest of UNICEF. School authorities are very grateful with the reception of the youngsters by the citizens of town and wish to publicly thank the children themselves, their parents who permitted them to work as solicitors, and the people for their generosity.

It is interesting to note that, as a result of the Halloween trick or treat or UNICEF, almost 10,000 children can be successfully treated for tuberculosis or a total of nearly 50,000 glasses of milk can be made available to some of the 6,000,000 children of the world who need help. A few of the children who were unable to solicit on Wednesday covered their territories last evening, so that the total will reach close to \$100.

Guss is pastor, Wednesday, 7:30 p.m., November session of the Council, at the church, Thursday, 6:15 p.m.; Intermediate Choir rehearsal, 7 p.m.; Junior Choir rehearsal, Saturday evening, Nov. 9, Luther League bazaar.

The United Nations Children's Fund, to benefit all the children of the world, will receive a total of \$94.33, which was given to the pupils of the Fifth and Sixth grades when they rang doorbells in Littlestown on Wednesday evening in the interest of UNICEF. School authorities are very grateful with the reception of the youngsters by the citizens of town and wish to publicly thank the children themselves, their parents who permitted them to work as solicitors, and the people for their generosity.

It is interesting to note that, as a result of the Halloween trick or treat or UNICEF, almost 10,000 children can be successfully treated for tuberculosis or a total of nearly 50,000 glasses of milk can be made available to some of the 6,000,000 children of the world who need help. A few of the children who were unable to solicit on Wednesday covered their territories last evening, so that the total will reach close to \$100.

MISS MARTIN

Mr. and Mrs. Clemence Martin, 102 Cemetery St., Littlestown, announce the engagement of their daughter, Arnelma, to William Hysler, the son of Mr. and Mrs. Charles Hysler, Biglerville. No date has been set for the wedding.

XMAS BANQUET BEING PLANNED

Committees were appointed to make arrangements for the annual Christmas banquet and party of the King's Daughters Class of Christ United Church of Christ at the monthly meeting of the class held on Wednesday evening at the church. The Christmas affair will be for class members and their families. Committees named follow:

Time and place, Mrs. Harry C. Wildasin, Mrs. Paul J. Mumment and Mrs. Edwin A. Rebert; program, Mrs. Clyde L. Sterner, Mrs. Wilmer P. Kessler and Mrs. Kenneth W. Olinger; gifts, Mrs. Gerald W. Sterner, Mrs. David E. Greason and Mrs. Charles A. Grove.

The program for the October meeting was in charge of Mrs. Edwin A. Rebert, when the opening devotions included two hymns by the group, accompanied by Mrs. Rebert; responsive reading and prayer; Mrs. Rebert. Readings were as follows: "Dulcious Progress," Mrs. Stanley R. Sell; "Misplaced Goblins," Mrs. Clyde L. Sterner; "Mirror, Mirror On The Wall," Mrs. Irvin C. Markle; "Wrong Weight," Mrs. Gerald W. Sterner. Group contests were enjoyed, and the guest package, given by Mrs. Harry Wildasin was won by Mrs. Irvin Markle.

Mrs. G. Howard Koons, president, conducted the business session, at which time a nominating committee was appointed to include: Mrs. Delphia J. Sterner, Mrs. Helen E. Warner and Mrs. John N. Sell. It was decided to hold the next meeting one week early due to the special Thanksgiving service in the community; Mrs. Wilmer P. Kessler will be in charge of the program for the November 20 meeting, at the church. The hostesses will be Mrs. Harry C. Wildasin, Mrs. Raymond C. Wildasin, Mrs. Myrtle Louise Yohr, Mrs. Richard E. Barnes and Mrs. Russell V. Brown. The meeting closed with the Lord's Prayer repeated in unison, and refreshments were served by Mrs. Gerald Sterner, Mrs. Delphia Sterner, Mrs. Ralph I. Unger, Mrs. Edward L. Warner and Mrs. Helen Warner.

A Halloween party was enjoyed in connection with the weekly meeting of Girl Scout Troop No. 45 on Wednesday evening at the engine house. Costume prizes went to the following: Rebecca Koway, for the most original; Linda Keeser, the prettiest; Judy Koonitz, the funniest, and Carolyn Kump, the ugliest. Mrs.

Navy Can Halt Aggression But Fears Political Coup

By C. YATES McDANIEL
PEARL HARBOR, Hawaii (AP)—The Navy's confidence in its ability to crush any new aggression in Asia is tempered by the strong hunch that the manner and place of the next Communist move may rule out American military action.

Both the confidence and the caution are found and voiced in this Pacific command headquarters, which is the nerve center of the American watch on the Asian seaboard.

Voicing the demands for prompt decisive action against aggression were Adm. Arleigh Burke, chief of naval operations, and Adm. Felix Stump, commander in chief of Pacific Ocean area land, sea and air forces. They talked with visiting newsmen in Stump's offices on a hillside overlooking Pearl Harbor.

Punishment On The Spot
Stump brushed aside suggestions of timidity, saying: "We are not going to stop aggressions by being afraid to risk war."

Burke, fresh from a prolonged tour of the Western Pacific, put it even more bluntly: "If a nation aggresses, she must be punished fast, and on the spot."

But Stump, who commands a vast array of "warships, planes and atomic weapons" also sounded the sobering note that "subversion might get out of hand" and "a Communist coup might occur" in Southeast Asia "before we could do anything about it."

Indonesia A Question
A sifting of the great volume of reports coming to Pearl Harbor from many sources in many Asian lands leads to the conclusion that Indonesia is one of the prime targets for Communist control and may be ripe for plucking without a shot.

Dogged by internal dissensions and armed revolts, the government of Indonesia has accepted so many favors from native Communist, that the payoff hour may not be far off, these reports indicate.

Rejects U. S. Offer
Stubbornly neutralist after breaking all ties with the Netherlands, Indonesia rejected American offers of military aid. Because there is no alliance or even a mutual aid agreement with the United States, any direct American military intervention would be damned as imperialism and will be avoided scrupulously.

Americans involved in holding the line against Communist expansions in southeast Asia are also concerned about Laos and Cambodia, two of the three originally non-Communist states that emerged from the breakup of the French colonial empire in Asia.

Laos is a natural pressure point for the Communists, for it touches Communist Vietnam as well as the still free countries of Thailand and Viet Nam. A strong Laos could prove a buffer or a bulwark, but in Red hands it would provide an opening wedge between Thailand and Viet Nam, both friendly to the United States.

Bolts, Wildcats Clash Tonight

Littlestown's football engagement at Mechanicsburg tonight at 8 o'clock provides the only gridiron activity for a county school this evening.

The game was scheduled to fill open spots in schedules of both schools brought on by postponements.

Announcement has been made the Mechanicsburg-Middletown game, which had been set back until Monday, has been postponed from that date until after November 23.

State Flu Deaths Reported At 98

By THE ASSOCIATED PRESS
The number of deaths attributed to respiratory ailments in Pennsylvania rose to 98 yesterday, the latest victim reported at Easton.

William Hartman, 64, died of pneumonia at his Easton home Wednesday night after being ill for several weeks with a flu infection. His death raised the number of flu-connected deaths in the Lehigh Valley to 40.

Abatement of flu-like illnesses in many areas presaged an active weekend in high school football. Many teams were returning to the field after a siege of cancellations because of flu.

Bubblers To Host New Cumberland 11
Boiling Springs, originally scheduled for two football games over the weekend, has only one due to cancellation of the game with Big Spring at Newville on Saturday.

"Bud" Ecker's Bubblers will host New Cumberland Monday evening at 8 o'clock in the makeup of a postponement.

The Bubblers gained a lot of confidence last week when they snapped the five-game winning streak of Cumberland Valley through a decisive 19-7 triumph. Particularly impressive last week was the fine play of the Boiling Springs line. Gary Fishel, 190, piled up 149 yards in leading the backfield.

NEGRO SHOOT, BEATS MAN, 57; LOCKED IN AUTO

NEWARK, N. J. (AP)—Two detectives found a wounded Chicago salesman locked in the trunk of his blood-spattered car here last night.

The salesman, Robert H. Martin, 57, had been shot twice and savagely beaten in what police described as a terror ride that began in Camden some 70 miles away and lasted almost eight hours.

Martin, who had been robbed of \$100, his shoes and overcoat, said he was forced into the trunk at gunpoint after his assailant threw out 10 pieces of luggage to make room for him.

5 HOSPITALS TO INCREASE THEIR RATES

HARRISBURG P—Only five of the state's 10 general hospitals have agreed to increase their rates under a request made nearly two months ago by Welfare Secretary Harry Shapiro.

They are the state hospitals at Philadelphia, Conestoga, Shamokin, Hazleton and Bloomsburg. But Shapiro told a newsman Thursday he expected action shortly from boards of trustees at Scranton, Ashland, Condale, Nanticoke and the Lehigh Valley State Hospital at Shenandoah.

"Some have been slow complying with my recommendations but I expect full cooperation within the next few weeks," he said.

The increase was asked by Shapiro so that the individual hospitals can collect more from patients who carry Blue Cross insurance.

The ward rates had ranged from \$7 to \$9 a day, and semi-private rooms from \$10 to \$12 a day. Shapiro was known to have issued the rate boost request to bring these charges in line with those of private hospitals.

Boost Ward Rates

In a letter to the board of trustees on Sept. 6, Shapiro recommended that ward rates be boosted to \$12 per day per patient "with the understanding that this maximum rate shall not become the minimum."

If patients were unable to pay the full ward rate, Shapiro said, they should be charged whatever fraction of that figure they can afford.

The 1957 Legislature, in appropriating funds for the state hospitals, wrote a provision that the hospitals can retain for themselves what revenue they take in.

HONEY TOP—Two bees atop a beehive comprises the coiffure worn by model Helen Curtis at London hair fashion show. Show theme was "the birds and the bees."

The Scranton Hospital board of trustees balked at the \$12 rate and told Shapiro that it was too high. But he disclosed that the group has withdrawn its opposition and now plans to charge \$11 a day for ward patients, \$12.50 for semi-private and \$13.50 for private rooms.

Shamokin also announced its rates for ward patients would go up Nov. 1 to \$10 a day and for semi-private to \$12.50.

Other higher rates approved are Phillipsburg \$10 ward, \$12 semi-private and \$14 private; Conestoga \$12 ward, \$14 semi-private and \$18 private; Hazleton \$10 ward, \$14 semi-private and \$15.50-\$16.50 private, and Bloomsburg \$10 ward, \$12 semi-private and \$14 private.

NEW PLYMOUTH AUTOMOBILES ARE ON DISPLAY

Substantial styling advances in keeping with the trend-setting characteristics of the immensely popular current model Plymouth cars plus a brand new lineup of six engine options and other important new engineering features will be seen in the Plymouth for 1958 now on display.

"The new Plymouth is improved in appearance, performance, comfort and safety, yet retains many of the outstanding styling, handling and riding features that were so enthusiastically accepted by American car-buyers this year," John P. Mansfield, Plymouth president, said today.

While the 1957 model year has been one of the finest in our history, we intend to move even farther ahead with the introduction of finer, more advanced line of new Plymouth cars in November.

Silver Dart Styling

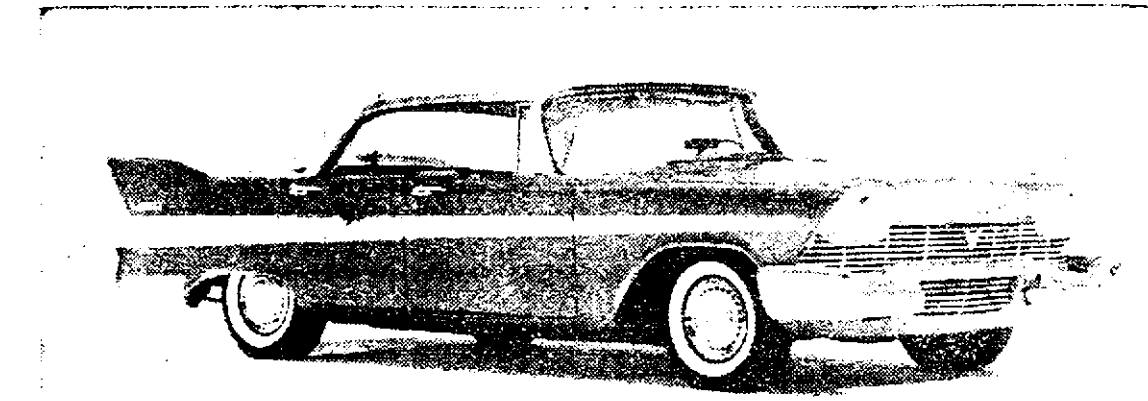

Styling features of the new Plymouth include a bright new "Silver Dart" side moulding treatment, sweeping upward at the rear on Belvedere and Sport Suburban models to the tip of Plymouth's familiar high-flying directional stabilizer fins, with optional dart inserts of silver anodized aluminum or compatible colors. Another distinctive new side trim is available also with Savoy and Plaza models.

Double header dual headlights are standard equipment on all new Plymouths, with the inner beams producing maximum long-range forward visibility and the outer pair providing supplemental full-in light when used in combination, or efficient low-beam lighting when used alone. With filaments centered in all lamps, the new dual headlights produce the safest, most scientifically effective night lighting ever attained for automobiles.

New Turn Signals

New turn signals and parking lights are nestled in a triangular area above and between the headlights. Tail lights also are new, with circular reflectors lower in the fender and a silver-colored reflective wedge extending upward to the tip of the fin. The back-up light is centered beneath the rear bumper.

The lower front grille of the Plymouth for 1958 has been redesigned with a horizontal bar effect identical to the upper grille section.

Silver Dart two-tone exterior styling trim, sweeping backward and up to the tip of the Plymouth Belvedere 4-door hardtop's familiar fins, is new with 1958 Belvedere models and Sport Suburban station wagons. The contrasting dart is available either in anodized aluminum for a striking new effect, or in compatible colors. Plymouth's outstanding Torsion-Aire suspension system and its trouble-free mechanical push button controls are retained for 1958. Six engine options, a new Constant-Control power steering system providing Plymouth's famous full-time ease of operation, a new Sure-Grip differential and a new automatic Econo-Choke are available on 1958 Plymouth cars, being introduced in dealer showrooms across the nation on November 1.

HOFFA UNION TO CHALLENGE CLEANUP ORDER

WASHINGTON P—The Teamsters Union has decided to disregard a cleanup order from the AFL-CIO Executive Council and instead will appeal the matter to the AFL-CIO convention next month.

Defiance of the mandate to change its upper echelons pointed to almost certain expulsion of the Teamsters by the full AFL-CIO convention which opens Dec. 5 in Atlantic City.

Refusing Teamsters President Dave Beck told newsmen yesterday "I'd certainly be an optimist if I thought" the appeal would do any good in averting the threatened ouster of his union from the federation.

Beck met with reporters after the Teamsters executive board decided unanimously against doing anything about the AFL-CIO corruption charges against its leaders.

Union Is Suspended
The AFL-CIO council has suspended the big 1 1/2 million member union until it ousts officials accused of misdeeds. The suspension from the federation was expected to become expulsion at the AFL-CIO convention.

Beck said that if necessary, the truckers are prepared to go it alone. Beck and other Teamster leaders—including President-elect James Hoffa—have been accused of misconduct and misuse of union funds by the Senate Rackets Investigating Committee.

Federal Dist. Judge F. Dickinson Letts last week temporarily enjoined Hoffa from taking over the union's presidency. Letts decided the convention which picked

from Moscow reported an unusual scarcity of soldiers in the streets of the Soviet capital.

Moscow's streets traditionally swarm with soldiers just before the big military parade Nov. 7. But the reports said few military men have been seen in downtown Moscow recently and nightly military rehearsal for the parade have not been held since Saturday.

The commander in chief of Egypt's armed forces, Maj. Gen. Abdel Hakim Amer, left Cairo early today in Khrushchev's personal jet airliner to attend the anniversary gathering.

"A revolutionary army, being the strongest weapon of the dictatorship of the proletariat, must be completely under the political leadership of the party," the Peiping organ declared.

Want Political Control
The Soviet press also kept up its campaign to re-emphasize the importance of political control over all phases of Russian life, and particularly over the armed forces.

Hoffa was stacked in his favor. The U. S. Court of Appeals has reserved decision on a union appeal that it modify Letts' injunction. Beck said he would continue in office as long as the legality of Hoffa's election is being questioned in the courts.

REPORT ZHUKOV WILL NOT TAKE RED DEMOTION

BELGRADE, Yugoslavia P—Diplomatic reports reaching Belgrade from Moscow today said that Marshal Georgi Zhukov has been expelled from the Soviet Communists' party's Central Committee and its ruling Presidium—the party politburo.

The reports said Zhukov, whose dismissal from the post of Soviet defense minister was announced last Saturday, would be given a lesser military post. It was indicated, however, that the World War II hero might not accept the humiliation.

An announcement from the party Presidium telling the Soviet people—and the world—of a new assignment for Zhukov has been expected almost hourly for several days.

The continuing delay in the announcement strengthened the impression that the marshal refused to step down quietly.

Many Reports
Moscow correspondents of Western Communist papers have reported, in dispatches cleared by the Soviet censors, that Zhukov hindered the work of Soviet Communist party political workers in the army. There also have been suggestions that he had ambitions to use his reputation as a military hero to spring to supreme power in the Soviet Union—challenging party chieftain Nikita Khrushchev.

Communist China's rulers signaled their support of an article in the Peiping People's Daily, voice of the Red Chinese regime, spoke of the need for the army in a Communist state to "be completely under the political leadership of the party." Moscow radio broadcast the article on its home service.

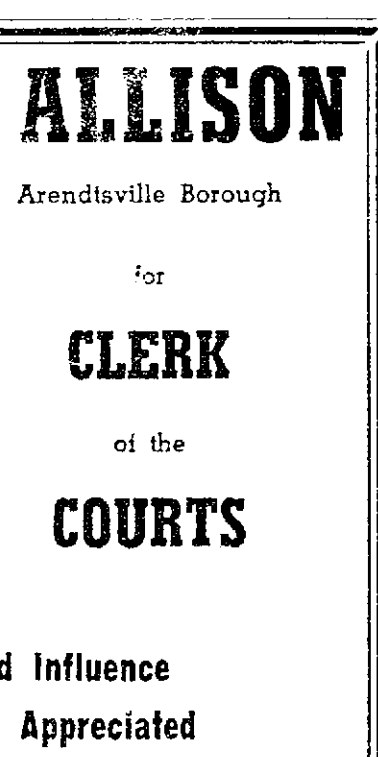

"A revolutionary army, being the strongest weapon of the dictatorship of the proletariat, must be completely under the political leadership of the party," the Peiping organ declared.

Want Political Control
The Soviet press also kept up its campaign to re-emphasize the importance of political control over all phases of Russian life, and particularly over the armed forces.

Push Program To Grade Xmas Trees

HARRISBURG P—A new voluntary program for grading Christmas trees took effect in Pennsylvania today with the State Agriculture Department anticipating only limited participation.

The department said it was probably too late in the year to make a complete success of the program which calls for marking trees as U. S. premium, U. S. 1 and U. S. 2. But it had great expectations for future years, saying:

"The plan is expected to aid producers, wholesalers, and the consumer buyer of Christmas trees and should eliminate poor trees from wholesale and retail marketing through the establishment of specifications."

DELHI, N. Y. P—Dr. Robert L. Gerry, 80, millionaire real estate developer, died Thursday a few hours after his brother, former U. S. Sen. Peter G. Gerry, 78, died in Providence, R. I. The Gerry family had been prominent since the American Revolution.

URGES BETTER M. D. SERVICE FOR OLDER PEOPLE

CLEVELAND P—A medical school dean said today that "a serious scandal" may soon develop if medical schools don't do more to meet the increasing health problems of older people.

This was the view of Dr. R. H. Leake, assistant medical school dean at Ohio State University, at the 10th annual meeting of the Gerontological Society. Gerontology is the scientific study of old age.

"Medical schools," he said, "have the prime responsibility in preparing their graduates for the tremendous jump in geriatric practice."

"Unless this responsibility is promptly met, there may come a serious scandal in medical affairs which could adversely affect the traditionally high esteem in which people hold the medical profession."

Leake said this challenge to meet the problem results from the success of modern medicine in lengthening life.

Old people, he said, "do not know how to take care of themselves and no one else is prepared to do so, either."

The training in medical schools for treating older people, Leake said, could become a major part of the effort of men who plan to go into general medical practice.

Bill Wood, Farmer, Athlete, Coach, Teacher, Clergyman, Returns "Home" In Retirement

(Continued from Page 1)

In 1928 he was lured from Gettysburg by Wesleyan University at Middletown, Conn., one of the "Little Three" schools. He had just turned down an offer to assist Coach Dick Harlow, at Harvard.

Ministry Was First Love

Coaching was really only a sideline with Bill. The ministry was his first love and he attended and received a B.D. degree from the Yale Divinity School. He was ordained a Presbyterian minister and served in the New York Presbytery for many years.

For ten years he was director of religious and social work for the Intercollegiate YMCA in New York and served at three medical centers, Columbia, Cornell and Flower and Fifth Ave. Hospital Medical College.

Then he was appointed chaplain at Sailors' Snug Harbor, Staten Island, N. Y., by the president of the New York Chamber of Commerce where he remained until September 1, when he retired.

Married Sept. 1, 1917

Bill Wood and Miss Esther Chase were married Sept. 1, 1917. She is a graduate of Columbia University with an M.A. degree and was assistant professor of psychology and sociology at Wagner College for 13 years. She also lectured on child guidance and parent education for the Greater New York Federation of Churches.

The Woods have six children, all married.

William Wallace Wood Jr. attended Gettysburg College for two years and graduated in electrical engineering at Columbia. He was chief engineer and is now production vice president of the Link Aviation Devices, Binghamton.

N. Y., where he designed the jet trainer. They have five children. Ann (Mrs. Livingston L. Rice) resides at Williamstown, Mass. They have four daughters.

On Athens Paper

Lynn (Mrs. Wilson P. Dizard) is presently residing at 344 Baltimore St. (a Wood residence), with her three sons. She recently returned from Athens, Greece, where her husband is in charge of the information service for the U. S. Department of State. They have three sons. Mrs. Dizard wrote a column for an English language paper in Athens, and in Washington starred on the TV program the "Romper Room."

Dr. Walter Scott Wood is doing research, under a polo fellowship, in virus diseases at the University of Illinois. They have one child.

Dr. John C. Wood is a heart specialist at the University of Pennsylvania where he treated several Gettysburg patients. He is doing research at Penn under a fellowship. They have four children.

Many Testimonials

Julie (Mrs. Rexford D. Lord Jr.) is a specialist in remedial reading. She is now at the University of Illinois working on her Master's degree. The United States sent her to Ethiopia for three months recently to assist in establishing a school system there. Her husband is a wild life specialist in animal ecology. He lived on the Seven Stars farm for two years while studying for his Ph.D. degree at Johns Hopkins.

When Bill Wood retired from Snug Harbor he was tendered many farewell dinners. One he will especially remember because it was there that a Catholic priest and a rabbi paid tribute to his service in the ministry. Right Rev. Msgr. John J. Clary, pastor of St. Mary's of Assumption Church, and Rabbi Benjamin B. Wykanski, of Temple Emanuel-El, both of Port Richmond, N. Y.

Glowing Tribute

The Snug Harbor paper paid glowing tribute to Bill in this excerpt from an editorial:

"His was the gift of being able to see the best in people and the warmth of his personality, tempered with his good sense of humor, made him the 'right man in the right setting.' We know that he loved the work to which he was dedicated and, equally as well, he loved the beauty of the land about him. It is the force of this same love that sent him into retirement to the long dreamed of farm where the hills and the open fields will be his new setting."

Bill is an early riser. He starts a typical day on the farm stoking up the old wood stove and putting on a kettle of water to boil well before 7 a.m. Most of the cooking is done on an electric range but Bill likes the smell and the sound of the wood fire.

Breakfast Favorite Meal

His favorite meal is breakfast which consists of a generous bowl of hot oatmeal topped with brown sugar, toast with marmalade, coffee and plenty of good conversation.

He loves a good steak, thick and juicy, with baked potatoes and green beans. His favorite dessert in Adams County peaches on vanilla ice cream.

Bill remains the athletic type, keeping a trim 210 pounds on his 6'2" frame.

"Twenty-five or thirty years ago Bill enjoyed loading his model T Ford (with a whip stock) with college students and drive to the city where he strolled around "taking in the sights." He never failed to visit the large stores and, trailed by his retinue of students, unkempt and unshaven, tell the clerks how beautiful the store was and how nice the clerks were. He often blocked traffic at busy intersections with his old Ford while he professed ignorance as to traffic regulations while quizzing police officers.

When he retired two months ago he didn't engage professional movers

to bring his furnishings from Staten Island to Seven Stars. Not Bill. That wouldn't be exciting. He bought a half-ton truck and moved his own furnishings... that is with Mrs. Wood's assistance.

A good marksman, Bill would rather shoot skeet than wildlife. He likes to hear the flutter of quail rising and watch the broad sweep of pheasant wings across the bottomland.

At the close of an active day, he strolls across the high field and watches the sun set behind Fox Hill. With a full panorama of evening colors around him, he can reflect on many glorious days past and plan for tomorrow's activities here in his best-loved countryside.

He likes hard work and fair play, and still reads the sports section first.

He concentrates on conservation, natural and human resources, both young and old.

Likes To Reminisce

He likes to reminisce about Gettysburg football days and, especially, the G'burg men he knew and worked with — both on and off the field. He also reminisces about driving the mare and rig over the back road (county road now grown over) across Marsh Creek to the Arendtsville Vocational High School where he supervised the agricultural projects conducted under the Smith-Hughes Act. He follows the careers of many of his G'burg and Arendtsville "boys" and takes real pride in their various accomplishments.

He can pick up anybody's howling baby and soothe him into silence. He holds a baby in his big arms snugly like a football.

He keeps open house for his 18 grandchildren all of whom look forward eagerly to their visits with him.

A constant companion is his retriever, Star, who is all black except for a white star on her throat. (He raised goats in New York City.)

Bill now owns his first striped tie in 16 years. His black ties were a symbol of his chaplaincy at Sailors' Snug Harbor. However, if you drop in on him, you'll probably find him tieless in an open-throated sports shirt and, weather permitting, barefooted.

Bill will not remain retired. He will have to dig into church and community affairs... at the college and in dozens of other places he will continue to serve to laugh and enjoy life to the fullest, in the country manner.

Latest Thing For College Football Player Is Girdle

NEW YORK (AP) — Nowadays, when a football coach tells his players to gird for action, he means it — literally.

There's something new in college and professional football if you haven't noticed, it's because you haven't been in a locker room lately.

What is it that's hailed by these hulking head-knockers as something close to a revolutionary innovation in the Sport of Brutes? Nothing else but — you should excuse the expression — a girdle.

Competition For Name

Mama's got competition now, with those in the know claim more than 90 per cent of today's weekend heroes encase themselves in the garment.

Witness this testimonial: "They don't ride up, they hold in your stomach and they're washable."

In case you're cooking a knowing eye at this point, let's hasten to assure that the two-way stretch serves a much more functional purpose than assisting in the Bulge Battle, although style plays a part.

Replaces Bulky Padding

The football girdle was developed by manufacturers to replace the bulky, uncomfortable leather, rubber and canvas pads players used to strap on to protect their hips.

The girdle, made of nylon and elastic, is much lighter—weighing only eight ounces or some five pounds less than hip pads—and furnishes just as much protection to body contact.

There are four slash pockets, two on each side, holding removable, lightweight hip and thigh pads. The result is that John Q. Player has much more maneuverability, a greater degree of comfort, and as much protection as well as making a stylish appearance.

Streamline Trend

Equipment designers say the girdle came about as part of a nationwide trend to streamline football players. They went to work in answer to player complaints a decade or so ago about loose-fitting canvas pants, and heavy shoes, helmets, shoulder guards and jerseys.

They came up with skintight pants 75 per cent lighter than the old style trousers, almost weightless jerseys, half-cut lightweight shoes, narrower shoulder guards, and lighter more shock-resistant helmets.

There remained the problem of what to do with the hip and waist line and one of Mom's tricks provided the answer.

2 Postal Employees Face Theft Charges

WILLIAMSPORT, Pa. (AP) — Two Williamsport postal employees today face charges of pilfering the mails.

Postal Inspector J. D. Burdon, of Philadelphia, identified the two as Carl E. Gramling, 37, and Wilbur R. Weid, 40. They were arrested

Wednesday with what Burdon said was about \$200 in stolen money or their.

Lodged overnight in Lycoming County Jail, they face arraignment before U.S. Commissioner Andrew Leiser at Lewisburg.

Burdon said he had reason to believe the two had taken close to \$1,000 each from the mails over an indefinite period.

HIGH COURT TO FIX LEGALITY OF 2 LARGE TRUSTS

ATLANTIC CITY, N. J. — The State Superior Court is going to interpret the legality of two trusts set up by the \$300,000 will of the late Mrs. Laura E. W. Tyler both of which provide aid for needy white mothers and children.

Superior Court Judge Vincent S. Hineman set Dec. 17 for oral argument after he was asked to interpret the will by her administrators in view of recent litigation over admission of negro students at Girard College in Philadelphia.

A resident of nearby Ventnor Mrs. Tyler died July 13, 1956. She was 81.

Funds For Whites

Her will set up one trust to provide food and clothing for needy white, American born wives and children of prisoners at Pennsylvania's Eastern State Penitentiary. A second trust is to give free hospitalization at Hahnemann Hospital in Philadelphia for needy white American born children under 14 with an IQ of 75 or over.

The trusts are administered by the Philadelphia Board of City Trusts.

The Girard trust is also administered by the Philadelphia Board of City Trusts.

Mrs. Tyler was the daughter of Henry L. Wilkerson, assistant warden at the penitentiary for 42 years.

Another trust of her will that left \$6,500 for care of her cat "Ginger" was not affected.

Mrs. Tyler's administrators are Allen M. Mills of Haddonfield and Joseph M. Hamilton of Philadelphia.

ASK IMPROVED AIR SERVICE

ALBANY, N. Y. (AP)—The Rome Chamber of Commerce says Rome needs improved air service to Cleveland, Pittsburgh and Providence to aid industrial development.

Albert R. Nellis, executive secretary of the chamber, testified at a Civil Aeronautics Board hearing yesterday that Rome was a "thriving, healthy, rapidly growing community." He added, "continued success is greatly dependent upon the improving of our transportation facilities, particularly by air."

Another witness at the continuing hearing, which was scheduled to complete its Albany phase today, said communities seeking air service would like to have "a flight to everywhere all the time."

Nevertheless, the witness, James C. Buckley of New York City, argued that his client, the Allentown-Bethlehem-Easton Airport in Pennsylvania, ought to have the additional airline service it sought.

Buckley, a transportation consultant, appeared on behalf of the Lehigh-Northampton Airport Authority, which operates the airport, at the hearing. The hearing is an investigation of the need for additional local air service in the northeastern states.

The hearing will resume in Washington Nov. 12.

Lincoln Highway Re-Location Near

HARRISBURG (AP)—Relocation of a 27-mile section of U.S. 30 between Lancaster and York was in prospect today with an order by Gov. Leader for a survey of the project.

The governor said the State Highways Department has employed the Buchart Engineering Co., York, to make the 11-month study that would include the possibility of an east-west bypass of York.

The study involves the Lincoln Highway between a point just west of Lancaster and Thomasville, seven miles west of York.

MOTHER'S A GOOD TEACHER

PUEBLO, Colo. (AP)—Ten-year-old Gaylord Nordstrom taught his mother, Mrs. Bernice Nordstrom, a thing or two about cooking during the color of state fair.

Gaylord won blue ribbons on both his cake and chocolate cakes, and a second place ribbon with a nut loaf cake Mrs. Nordstrom won third place in the nut loaf cake division.

POOR CHINING BARS

FREDERICKSBURG, Va. (AP)—This city has discovered that its new aluminum street markers are poor chiners. The bars have been broken and bent, and the city is now ordering new ones.

In Memoriam

STARNER: In loving remembrance of our dear husband and father, Charles C. Starn, who passed away November 1, 1955:

Two sad and lonely years
Since last we saw his face,
His body was the first
To mark our resting place.

Our dear loved one,
How we miss him,
Sleeping yonder neath the green,
Off we seen him when we're sleep-
ing,
But alas 'tis but a dream.

Now the chair stands vacant
That was filled by one we loved;
Another seat is filled
In our Father's home above.

Our family circle was broken
When God called him away,
But he left us to remember
We can meet again some day.

Sadly missed by
HIS WIFE - CHILDREN

James MARLOW Reports

The Associated Press

WASHINGTON (AP)—No one mentioned Sputnik by name but the shadow of the Russian satellite across President Eisenhower's news conference yesterday was just as real as if it had been re-

volving around his head. The questions and answers reflected the shock of Sputnik on both the American people and the Eisenhower administration — a shock into an acute realization of the Russian progress in missiles, science and scientific brains. Nothing showed better the kind of silly paradise in which this country has been living than Eisenhower's own words in explaining his desire to promote American-British cooperation in nuclear development.

Can't Share Secrets
Under laws now on the books—this country can't share its nuclear

secrets with its allies although cooperation with them might have put the allies ahead of Russia. These laws apparently were meant to prevent the secrets from falling into Russian hands. The Russians have been doing all right by themselves. Eisenhower pointed out:

"Most of our security laws . . . were written at a time when we thought we had a monopoly. Now we are getting to the point where we know that a great many of our secrets are known to the enemy but they are still secret from our friends, which seems rather an anomalous situation."

Spurred By British
As a result of Sputnik, Eisenhower will go to Paris in December for an Allied summit meeting to talk more cooperation on defense among the Allies. The British spurred him into that idea. They had a real shock from Sputnik. Since the Russians were able to build a missile to shoot Sputnik into outer space, they should be able to build missiles that could be showered on Britain from Moscow.

That this country needs more scientists is hardly a new idea, since it's been talked about for years. But it was emphasized anew by Eisenhower who said his scientific advisers want the schools to produce more scientists.

Bill Wood, Farmer, Athlete, Coach, Teacher, Clergyman, Returns "Home" In Retirement

(Continued from Page 11)

In 1928 he was lured from Gettysburg by Wesleyan University at Middletown, Conn., one of the "Little Three" schools. He had just turned down an offer to assist Coach Dick Harlow, at Harvard.

Ministry Was First Love

Coaching was really only a sideline with Bill. The ministry was his first love and he attended and received a B.D. degree from the Yale Divinity School. He was ordained a Presbyterian minister and served in the New York Presbytery for many years.

For ten years he was director of religious and social work for the Intercollegiate YMCA in New York and served at three medical centers, Columbia, Cornell, and Flower and Flinn Ave. Hospital, Medical College.

Then he was appointed chaplain at Sailors' Snug Harbor, Staten Island, N. Y., by the president of the New York Chamber of Commerce where he remained until September 1 when he retired.

Married Sept. 1, 1917

Bill Wood and Miss Esther Chase were married Sept. 1, 1917. She is a graduate of Columbia University with an M.A. degree and was assistant professor of psychology and sociology at Wagner College for 13 years. She also lectured on child guidance and parent education for the Greater New York Federation of Churches.

The Woods have six children, all married.

William Wallace Wood Jr. attended Gettysburg College for two years and graduated in electrical engineering at Columbia. He was chief engineer and is now production vice president of the Link Aviation Devices, Binghamton, rabbi paid tribute to his service

N. Y., where he designed the jet trainer. They have five children. Ann (Mrs. Livingston L. Rice) resides at Williamstown, Mass. They have four daughters.

On Athens Paper

Lynn (Mrs. Wilson P. Dillard) is presently residing at 344 Baltimore St. in Wood residence, with her three sons. She recently returned from Athens, Greece, where her husband is in charge of the information service for the U. S. Department of State. They have three sons. Mrs. Dillard wrote a column for an English language paper in Athens and in Washington starred on the TV program the "Romper Room."

Dr. Walter Scott Wood is doing research under a postdoctoral fellowship in virus diseases at the University of Illinois. They have one child.

Dr. John C. Wood is a neurologist at the University of Pennsylvania where he treated several Gettysburg patients. He is doing research at Penn. under a fellowship. They have four children.

Many Testimonials

Julie (Mrs. Rexford D. Lord Jr.) is a specialist in remedial reading. She is now at the University of Illinois working on her Master's degree. The United States sent her to Ethiopia for three months recently to assist in establishing a school system there. Her husband is a wild life specialist in animal ecology. He lived on the Seven Stars farm for two years while studying for his Ph.D. degree at Johns Hopkins.

When Bill Wood retired from Snug Harbor he was tendered many farewell dinners. One he will especially remember because it was there that a Catholic priest and an Aviation Devices, Binghamton, rabbi paid tribute to his service

Latest Thing For College Football Player Is Girdle

NEW YORK (AP) — Nowadays, when a football coach tells his players to gird for action, he means it — literally.

There's something new in college and professional football if you haven't noticed, it's because you haven't been in a locker room lately.

What is it that's hailed by these hulking head-knockers as something close to a revolutionary innovation in the Sport of Brutes? Nothing else but — you should excuse the expression — a girdle.

Competition For Name

Mama's got competition now, with those in the know claim more than 90 per cent of today's week-end heroes encase themselves in the garment.

Witness this testimonial:

"They don't ride up, they hold in your stomach and they're washable."

In case you're cooking a knowing eye at this point, let's hasten to assure that the two-way stretch serves a much more functional purpose than assisting in the Bulge Battle, although style plays a part.

Replaces Bulky Padding

The football girdle was developed by manufacturers to replace the bulky, uncomfortable leather, rubber and canvas pads players used to strap on to protect their hips.

The girdle, made of nylon and elastic, is much lighter—weighing only eight ounces or so—five pounds less than hip pads—and furnishes just as much protection to body contact.

Streamline Trend

Equipment designers say the girdle came about as part of a nationwide trend to streamline football players. They went to work in answer to player complaints a decade or so ago about loose-fitting canvas pants, and heavy shoes, helmets, shoulder guards and jerseys.

They came up with skintight pants 75 per cent lighter than the old style trousers, almost weightless jerseys, half-cut high-weight shoes, narrower shoulder guards and lighter more shock-resistant helmets.

There remained the problem of what to do with the hip and waistline and one of Mom's tricks provided the answer.

2 Postal Employees Face Theft Charges

WILLIAMSPORT, Pa. (AP) — Two Williamsport postal employees today face charges of pilfering the mails.

Postal inspector J. D. Burdon, of Philadelphia, identified the two as Carl E. Gramling, 37, and Wilbur R. Weld, 40. They were arrested Wednesday with what Burdon said was about \$200 in stolen money or items.

Lodged overnight in Lycoming County Jail, they face arraignment before U.S. Commissioner Andrew Leiser at Lewisburg.

Burdon said he had reason to believe the two had taken close to \$1,000 each from the mails over an indeterminate period.

NO TRESPASSING

All persons are warned not to trespass on the premises of the undersigned with dog, gun or trap for the purpose of taking game in any manner or for fishing or any way injuring or destroying property. All persons violating the laws of the Commonwealth with regard to trespassing on land of the undersigned will be dealt with under the provision of the Act of June 24, 1939, P.L. 872, Section 854.
